Our Mission

The mission of Woodland Community College is to provide high quality, student-centered education and lifelong learning opportunities for the communities we serve.

At WCC, students pursue their educational goals in an environment that values diversity, individuality, mutual respect, civic responsibility, and the free exchange of ideas.

This Schedule of Classes is published for informational purposes. Every effort is made to ensure its accuracy; however, the contents should not be regarded as an irrevocable contract between students and the Yuba Community College District. The District reserves the right to correct, modify, or change this document without notice for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District. The District further reserves the right to add to, amend, or repeat any of their rules, regulations, and procedures, consistent with applicable laws. Please be advised, students should review the latest schedule of changes prior to registering for courses.

OPEN ENROLLMENT POLICY

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

- Courses that are specifically exempted by statute, including “impacted” allied health programs (Rad Tech, ADN, Psych Tech, etc.);
- Courses closed by maximum enrollment of students by the “priority registration” policy;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced coursework previously taken by the student (exceptions require counselor evaluation and Dean approval).

STUDENT LEARNING OUTCOMES

The following Student Learning Outcomes (SLOs) will provide the core knowledge and abilities for every graduate from the Yuba Community College District.

- **Communication**- Effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.
- **Computation**- Use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.
- **Critical Thinking**- Analyze data/information in addressing and evaluating problems and issues in making decisions.
- **Global Awareness**- Articulate similarities and differences among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.
- **Information Competency**- Conduct, present, and use research necessary to achieve educational, professional, and personal objectives.
- **Personal and Social Responsibility**- Interact with others by demonstrating respect for opinions, feelings, and values.
- **Technological Awareness**- Select and use appropriate technological tools for personal, academic, and career tasks.
- **Scientific Awareness**- Understand the purpose of scientific inquiry and the implications and applications of basic scientific principles.

It’s about our health!

WCC is a 100% smoke free campus.
In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Yuba Community College District to make available its completion and transfer rates to all current and prospective students. From Fall 2006, a cohort of all certificate, degree and transfer-seeking first-time, full-time students were tracked over a three-year period. The completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 42% attained a certificate or degree or became “transfer-prepared” during a three-year period, from Fall 2006 to Spring 2009. Students who were “transfer-prepared” have completed 56 transferable units with a GPA of 2.0 or better. Based on the cohort defined above, 31.6% transferred to another postsecondary institution prior to attaining a degree or certificate, or becoming “transfer-prepared” during a five semester period, from Spring 2003 to Spring 2005.
Welcome to Woodland Community College!

Student Classifications

Continuing Students
Students who were enrolled in Woodland Community College or Yuba College in the Fall 2011 semester (Aug-Dec 2011).

New Students
A new student is any student who has never registered with the Yuba Community College District (Woodland Community College or Yuba College) OR

- If you were a Concurrent Enrollment student and graduated, you are now considered a “new” student and will need to reapply for admission.

Returning Students
Students who attended either Woodland Community College or Yuba College prior to Spring 2009 are considered returning students. All students must reapply.

Transfer Students
If you are a student who attended a college or university other than a Yuba Community College District school you must apply for admission.

Concurrent Enrollment Student
Students who have completed the EIGHTH grade may attend as a PART-TIME student. Students who complete their courses will earn full college credit. High school students do not obtain continuous status.

How to Register

- Check your registration priority through MyCampus Portal, or at http://wcc.yccd.edu, or in the Schedule of Classes.
- Look for prerequisites, corequisites, and recommended courses in which you intend to enroll
- Meet with a counselor to assist with selecting courses
- Be sure to pay any debts and clear all holds as there are only 10 days to pay for courses from the time of registration.
- Apply for assistance for fee waivers through Financial Aid prior to registering
- Register through WEBADVISOR or at the Admissions and Records Office

Adding
Students can add classes through WebAdvisor up until the last day to add for open classes. If the class is closed or waitlisted, the student should talk to the course instructor to see if they can add with an ADD FORM at Admissions and Records up until the published deadline date in the course schedule.
Dropping

Students can drop their classes through WebAdvisor or at Admissions and Records according to the published deadline dates in the course schedule or online. Please be aware of all deadlines and talk to a counselor if you are unsure about dropping your course. If you receive Financial Aid, make sure you discuss this with Financial Aid before dropping as it will affect your Financial Aid status. **Dropping is the student's RESPONSIBILITY. Never assume that you will be dropped by an instructor.**

Waitlisting

If you place yourself on a waitlist, be sure to continuously check the waitlist through WEBADVISOR to see if you have been added. Automatic waitlist adds happen up until classes start. After that you must attend the first class meeting to see if you have been added to the course. It is important to attend the first class meeting. If you are added to the course you will need to bring the add form to the Admissions and Records Office to be added by the published deadline date to be considered enrolled in the course.

Pass/No-Pass Grading

Some courses allow students to choose a letter grade or a Pass/No Pass (P/NP) grade for the course. The choice must be made by the student via WebAdvisor registration or by completing a Pass/No Pass form with the Admissions and Records office. **Please be aware of deadlines.** There may also be degree, certificate, and transfer requirements to be aware of when selecting this option. Discuss this with your counselor prior to making this selection.

Residency Status

California residents are those who have maintained legal resident status in California for a year and a day PRIOR to the first day of the semester. Non-resident students DO NOT automatically become California residents merely by living in the state. **State law requires PROOF OF RESIDENCY.** Proof includes such things as filing California State Income Tax, obtaining a California driver’s license, registering vehicles in the state as a resident. The law also requires that the student show no contrary intent, that is, he/she must not have maintained resident status in his/her former state (i.e., driver’s license, taxes, car registration, etc). **The burden of proof rests with the student.** Residency is determined by the laws of the State of California.

Non-residents will be required to pay tuition. Non-residents who attended a California high school for three years AND graduated from a California high school may be eligible for a tuition exemption. Non-resident active duty military that are stationed in California, and their dependents, are allowed to pay the resident rate for enrollment fees. Contact the Admissions and Records Office for more information.

AB 540 Residency Status

If you attended a California high school for three years and graduated from a California high school, you may request to apply for the California Non-Resident Tuition Exemption Status. A copy of your high school transcript must be provided when submitting the California Nonresident Tuition Exemption Form located at Admissions and Records or from our website at [http://wcc.yccd.edu ->Admissions->Forms](http://wcc.yccd.edu ->Admissions->Forms). If
you qualify, you will NOT be required to pay the non-resident tuition fee, however, you will NOT be eligible to receive the BOGW enrollment fee waiver.

Concurrent Enrollment (High School Student) Step to Enrolling

Step 1
Apply online at http://wcc.yccd.edu and click on “Apply Now”.

Step 2
Schedule a placement test with the Admissions and Records Office at (530) 661-5700 or ask your high school counselor about taking the test on site. If you are going to take English or mathematics courses you are required to complete a placement test.

Step 3
Your high school counselor has the concurrent enrollment form on site or you can download the form from http://wcc.yccd.edu ->Admissions->forms. Your high school counselor will also be able to assist you in selecting courses.

Step 4
Be sure to obtain all signatures on the concurrent enrollment form. Not only will you as a student need to sign, but your Parent/Guardian and a high school designee will need to sign the form before enrolling.

Step 5
Register at the Admissions and Records Office with your form and payment on the date assigned.
Beginning Spring 2012- Students will have 10 days to pay for classes before they are dropped for non-payment.

If you have not already done so, apply for an enrollment fee waiver BEFORE registering for classes.

Use WEBADVISOR (http://wcc.yccd.edu) or login through your MyCampus Portal page to process your registration. Take advantage of your status to register. Avoid long lines and have the best selection of classes by registering online on your priority date.

Continuing students who are receiving financial aid MUST be registered prior to January to receive their first spring semester financial aid check.

**Continuing Student Priority Registration**- You may register on your scheduled priority date or thereafter by the last four digits of your Social Security Number.

Concurrently enrolled students do NOT have continuing student status and must register in person.

**Spring Late Registration**

January 17-27, 2012*

* If the class is full, instructor approval on Add form is required.
ATTEND THE FIRST DAY OF CLASS!

Information and expectations presented in the first class meeting are critical to successfully participate in each class.

If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day may be dropped.

**DO NOT ASSUME THE INSTRUCTOR WILL AUTOMATICALLY DROP YOU FROM CLASSES.**

*Students are responsible for dropping themselves from classes they do not attend.*

REFUND Deadline for short-term classes:

*You MUST drop your class by the end of the SECOND class meeting* to receive a refund if your class meets fewer than 30 meeting days. You can drop through WebAdvisor, or in person at the Admissions & Records Office.

If your class meets more than 30 meeting days:
- 31-40 days: end of 3rd class meeting
- 41-50 days: end of 4th class meeting
- 51-60 days: end of 5th class meeting

Matriculation is a process designed to help students achieve their educational goals. All new, transfer, and returning students (who have not attended a Yuba Community College District class within the last three years) will complete the matriculation process. The Yuba Community College District is committed to helping students achieve their educational goals through the matriculation process, which includes:

- Admission to the college
- Assessment of English, mathematics, and reading skill levels
- Orientation- provides information on programs, services, academic expectations, and procedures
- Counseling/Advising appointment
- Registration for classes
- Follow-up services to help student progress toward their education goals

Students are responsible for expressing a broad educational intent at the time of admission, declaring a specific educational objective within a reasonable period of enrollment, attending classes and completing assigned coursework, conferring with a counselor to discuss choices, seeking out support services as needed, and completing courses and maintaining academic progress toward an educational goal.

All students are encouraged to participate in the matriculation process. However, individual students may be eligible for an exemption based upon two or more of the following criteria:

1. Completed an associate or higher degree (verification required)
2. Concurrently enrolled in high school
3. Will enroll in performance classes only
4. Currently enrolled at a four-year college or university (verification required)
5. Enrolling in fewer than 6 units
6. Not planning to earn a degree or certificate
7. Enrolling in job-skill upgrade, self-improvement or general interest courses
8. Enrolling in classes for which student has previous training (i.e. firefighter taking fire science class)

Exemption from taking the placement exam may apply to students who:

1. Have completed previous coursework in English, math, and reading
2. Have completed placement tests at another post-secondary institution and provide documentation

Students seeking an exemption from the matriculation process must obtain an exemption form from a counselor.

**Matriculation- Students’ Rights, Challenge, and Complaint process:**

Students may challenge any matriculation component. To do so, consult with a college counselor. Complaints may be filed with the Dean of Student Services, who is responsible for investigation and resolution of such complaints. The Dean will maintain a file on all formal complaints.
HOW TO SCHEDULE A PLACEMENT TEST

Placement testing is available by appointment for English, mathematics, reading, and English as a Second Language (ESL). All students must have a current admission application on file with the Admissions and Records Office in order to test. Students may complete the college application from our webpage http://wcc.yccd.edu, and click on “Apply Now” or complete a paper application at the Admissions and Records Office located in Building 700.

Students may contact the Woodland Community College Admissions and Records Office at (530) 661-5720 to schedule an appointment or stop by in person in Building 700. Placement tests are offered:

Sample practice questions are available for students to review prior to the test through our website (http://wcc.yccd.edu/admissions/assessment-placement.aspx). Sample questions will assist students in how the test will be conducted on the day that they are scheduled.

On the day of the test, students will need to do the following:

1) Bring a Photo ID
2) Arrive at least 10-15 minutes prior to the test to check in.
3) Have your Student ID number, also available through WebAdvisor, with you at the time of testing (if you do not know your number, you may obtain this with a Photo ID from the Admissions and Records Office).

Completion of the test will help determine the English, mathematics, and reading courses that are best for each student. The placement test takes approximately 1.5 hours to complete on average.

The English as a Second Language (ESL) test will determine which ESL level of courses is most appropriate for the student. This test takes approximately one hour to complete.

Results are provided to the student immediately after taking the computerized test. Keep your test results as you may need them during a counseling appointment or as proof that you meet certain graduation requirements. Testing Summaries are also available through WebAdvisor.

Note: Childcare is not available. Please make appropriate arrangements prior to testing.

Retest Policy
All placement scores are kept on file for two years from the date the test was taken.

Students may retake the English/ESL/Mathematics/Reading assessment after a 30 day waiting period. It is advised during this time that the student study for the test in order to improve upon the score that they originally received.

Assessment tests may not be taken more than two times in any semester and not more than three times in any two-year period.
Exámenes de colocación de inglés, matemáticas, lectura y inglés como segundo idioma (ESL), están disponibles por medio de una cita. **Todos los estudiantes tienen que completar una aplicación de admisión para el colegio antes de hacer el examen.** La aplicación puede ser completada en persona en el edificio 700, oficina de admisiones (Admissions and Records) o en la página de internet [http://wcc.yccd.edu](http://wcc.yccd.edu) y seleccione “Apply Now.”

Para hacer una cita para los exámenes, pude contactar la oficina de Admisiones al (530) 661-5720 o puede visitar la oficina en el edificio 700. Los siguiente son los horarios disponibles para tomar los exámenes de colocación:

</tbody>
</table>

El día del examen de colocación, estudiantes deben traer lo siguiente:

1. Una identificación con fotografía
2. Llegar 10 o 15 minutos antes de su cita para registrarse
3. Saber su número estudiantil del colegio, disponible por medio de WebAdvisor, si no lo sabe, la oficina de Admisiones le puede ayudar si muestra su identificación con fotografía.

**AVISO- No hay cuidado de niños.**

Los resultados de los exámenes de colocación le ayudaran a determinar cuáles son los cursos más apropiados para usted. El exámen de colocación toma aproximadamente una hora y media.

El exámen de inglés como segundo idioma le ayudara a determinar cuál es el nivel mas apropiado para usted. Mantenga los resultados con usted ya que los necesitará cuando hable con un(a) consejero(a). Los resultados también los puede encontrar in WebAdvisor.

**Póliza Para Retomar el Examen de Colocación**

Todos los resultados se mantienen en el archivo estudiantil por 2 años después de la fecha en que se completaron.

Estudiantes pueden retomar cualquier de los exámenes de colocación, inglés/matemáticas/lectura/ESL después, después de 30 días. Se le recomienda al estudiante que utilice los 30 días de espera para estudiar y prepararse para mejor sus resultados.

Exámenes de colocación pueden retomarse dos veces en cualquier semestre, pero no más de tres veces en un periodo de dos años.
Woodland Community College invites you to participate in the English as a Second Language (ESL) program. To be properly placed in the appropriate level of English based on your knowledge, you are advised to take the placement test.

Before completing the placement test, you must complete an admissions application to Woodland Community College. This application can be completed in person at the Admissions Department, Building 700, at the Colusa Campus, or on the Internet at http://wcc.yccd.edu/. Select option "Apply Now" to start the application.

After completing the application, attend one of the following orientations listed below where you will also be given a placement test and a counselor will help you select appropriate classes for your level of English. The test takes approximately 1 hour. No childcare is available.

The day of the orientation and test, please arrive 15 minutes early and bring with you a photo ID, such as your driver's license.

Antes de completar el exámen de colocación, tiene que completar una aplicación de entrada al Colegio de Woodland. Esta aplicación puede ser completada en persona, en el departamento de Admisiones, edificio 700, en el Centro de Colusa*, ó por internet en http://wcc.yccd.edu/ y oprima “Apply Now” para comenzar la aplicación.

Después de completar la aplicación, asista a una de las siguientes orientaciones donde también se le dará el Exámen de colocación y un consejero/a le ayudara a seleccionar las clases apropiadas para su nivel de Inglés. El exámen toma aproximadamente 1 hora. *No hay cuidado de niños.*

El día de la Orientación y Exámen, favor de llegar 15 minutos antes y traiga con usted una identificación con foto, por ejemplo su licencia de manejar.

*Centro de Colusa – 99 Ella Street, Williams, CA 95987*

**Student Health Services Hours**

**Wednesdays and Thursdays**

9:00 a.m. to 1:00 p.m.

**Walk-In! or call 530-661-7758**

**Location: Room 770**
Assessment in English, math, and reading helps to determine the student’s academic skill levels and needs. Placement test results are one of many criteria used in helping student’s placement in suitable courses and creating Student Educational Plans (SEP) to define education goals that are attainable. The test may also be used to meet course prerequisites. The test is NOT used for admission purposes and is given free of charge. **(Photo ID is required at the time the test is taken).**

The Yuba Community College District offers the College Board Computerized Placement Test (CPT). Students receive their placement test results immediately upon completion of taking this test with little or no computer skills required. A PRACTICE test is available for students from our website [http://wcc.yccd.edu/admissions/assessment-placement.aspx](http://wcc.yccd.edu/admissions/assessment-placement.aspx) - click on Sample Test.

All District sites offer the placement test by appointment. Some locations offer walk-in testing for your convenience. Students may enroll in courses above their placement level only through the challenge process.

After satisfactorily completing the beginning level class that you are placed into with a grade of “C” or better, students progress to the next higher class level. All students are advised to discuss their placement options with a Woodland Community College counselor.

**Advisory Skills for Entry Level Courses**

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with an “(L)”, “(M)”, or “(L)(M)” in the course description.

**Recommended Skills Criteria for Associate Degree Applicable Courses**

Students may meet the requirements for the (L) courses by:
1. Completing Reading 70 with a grade of “C” or better, or being concurrently enrolled in Reading 70, or achieving a reading placement level of “3004” or higher; or
2. Achieving an English placement level of “1003” or higher, or by achieving a grade of “C” or better in English 105, or concurrent enrollment in English 105.

The (M) designation means that the content of the course is such that the student must have college-level math skills to successfully participate in the course. Students may meet the requirements for (M) courses by: Achieving a math placement level of “2003” or higher, or by completing with a “C” or better, Math 110, Math 111, or General Business 100; or by concurrent enrollment in Math 110, Math 111, or General Business 100.
NEW STUDENT ORIENTATION SCHEDULE

Below is the schedule for orientations at Woodland Community College. Orientation sessions take approximately two and a half hours. There are no reservations. Please arrive on time as seating is limited and available on a first-come first-serve basis. We cannot accommodate late arrivals. Please bring placement exam test results with you.

Childcare is not available.

Note:
- All students should complete an Assessment prior to attending an Orientation
- November 29 – New Student registration begins
The enrollment fee is subject to change and is established by the State Legislature. If fees are increased by the State Legislature after publication of the schedule, students will be billed for the additional fees. **All fees are due to the college at the time of enrollment.** No future enrollments may take place until all debts are paid. Fees may be paid by cash, check, VISA, Mastercard, Discover, ATM, or fee waiver. **Students will be dropped from their courses if fees are not paid within 10 days from time of enrollment** (see 10 Days to Pay Policy).

**Board of Governors Fee Waiver**

If you are a low-income student (and a California resident), contact the Financial Aid Office for a Board of Governors Fee Waiver (BOGW) application. **Students should have the BOGW application approved BEFORE registering for classes.**

**REFUNDS:**

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. See page 9 for more information on the refund dates in EACH short-term class.

**A $10.00 processing fee is charged for all refunds.** Students must make a request for a fee refund through WebAdvisor. If fees were paid by check, there will be a 3-week waiting period before refunds can be processed. If fees were paid by cash, the refund will be mailed 3-6 weeks after the request for refund has been received. For fees paid by credit card, the refund can be credited back to the student’s account. The processing fee is waived only if the refund is for a class that was cancelled. Contact the District Cashier in the Business Office for further details (530) 741-6724.

**American Opportunity (Hope) and/or Lifetime Learning Tax Credits- Taxpayer Relief Act of 1997:**

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.
Beginning with the spring 2012 term, students will have 10 days to pay for their classes from the time of registration or they will be dropped from one or more of their classes.

To avoid being dropped from your classes take one of the following steps:

1.) Pay for your classes in full.

2.) Complete your Board of Governor’s Fee Waiver (BOGW) with Financial Aid PRIOR to registration.

3.) Sign up for a payment plan online through WebAdvisor. Students are responsible for making payment arrangements. Those who do not make payments may be dropped from one or more classes. Once you have registered you will be able to see your status in MyCampus Portal and through NelNet’s mypaymentplan.com.

4.) IMPORTANT: Students are responsible for any fees incurred and grades received. It is the student’s responsibility to drop classes by the State mandated refund deadline to avoid fee obligations and must be aware of all other posted deadlines. (Once classes begin, non-attendance or non-payment does not release the student from his/her responsibility and may result in failing grades being awarded).

Make sure your fees are paid so your classes are secure before the term starts.

For more information on the new 10-day drop process, please review further information on the college webpage and portal.
1. Complete the Free Application for Federal Student Aid (FAFSA)
   - Obtain a U.S. Department of Education PIN, www.pin.ed.gov. This PIN will serve as the electronic signature when completing the on-line FAFSA.
   - Woodland Community College School Code is: 041438

2. Student Receives Student Aid Report (SAR)
   Once the FAFSA is processed by the Federal Student Aid (FSA) an email will be sent to you regarding the Student Aid Report (SAR). If an e-mail is not provided on the FAFSA, a paper SAR will be mailed to the address provided.
   Read the SAR carefully and perform any corrections on-line as necessary.
   If corrections are made, allow 2 weeks for the FAFSA corrections to be processed and for our office to receive your updated FAFSA data.

3. WCC Contacts Student Requesting Documents
   Once our office receives your FAFSA data, we will send you a letter or an email within 2 weeks of your final correction.
   Please check your WebAdvisor account under My Documents to determine what documents are needed to complete your file.
   If corrections are needed the Financial Aid must receive the correction before and award can be made.
   Make copies for your own records and make sure your WCC Student ID number is listed on all documents.

4. Evaluation Process: 4 – 8 weeks (depending on the volume of applications received at that time)
   Once all requested documents are submitted to our office, the 4 – 8 week evaluation process will begin.
   Your application status may change as information becomes available. You will be contacted if additional information is needed. Check your ‘My Documents’ on WebAdvisor.

5. Award Notification
   When your evaluation process is completed a notification message of your award will be sent to you. It is important that you read this material carefully.
   You may view your Financial Aid Award on-line in WebAdvisor, under award letter. View Financial Aid and select appropriate aid year.
   Financial aid is based on full-time enrollment. If you plan to be enrolled less than full-time, your award will be adjusted based on the enrollment status.
   BOG Fee Waivers cover your registration fees. You must be a California resident according to the registrar’s guidelines. It is your responsibility to submit all requested financial aid documents prior to the scheduled payment deadline. It is your responsibility to pay tuition fees and to complete all required documents.

6. Disbursement of Funds
   Disbursement of funds begins on a weekly basis, starting the first week of the semester, please review the posted payment schedule. You must be making Satisfactory Academic Progress to continue receiving Financial Aid. If you drop your classes you may need to repay the school funds. Disbursement of funds may be held for several reasons such as, not enrolled in sufficient number of units, academic progress holds, missing information, etc.

7. Do Your Part!
   Failure to complete all units may result in a hold for future aid, and you may owe money to the school.
   Maintain at least a 2.0 GPA every semester. Complete all the units you enroll in.
   Make sure to update your contact information (mailing address, email, phone numbers) on WebAdvisor.
   Contact the Financial Aid office if you have any financial aid questions.
   Remember to file for financial aid every academic year by the priority deadline of March 2.
**Financial Aid News:**

- All students should complete a FAFSA - Free Application for Federal Student Aid
- Completing the FAFSA is free, takes little time and isn’t hard to do.
- Most financial assistance programs require a FAFSA
- Students and parents shouldn’t dread completing the FAFSA – help is available.
- January 1 is the first day to submit a FAFSA, apply early as possible.

**FAFSA Aid - Free Application for Federal Student Aid**

Submitting the FAFSA on the web at http://www.fafsa.ed.gov is the fastest way to apply for federal student aid. The results will be electronically sent to your school. Please read the tips before you submit the FAFSA on the web. The Woodland Community College’s FAFSA school code is 041438.

All students filling out a FAFSA on the web need to first request a pin number at http://pin.ed.gov. The PIN is the identifier to let you access personal information in various U.S. Department of Education systems. The PIN is required to submit the online Renewal FAFSA or to make online corrections to your FAFSA.

**Items Necessary to complete the FAFSA:**

- Your Social Security number and driver’s license number
- Your 2010 income tax return
- Your W-2 forms for 2010
- Untaxed Income Records (i.e.: Social Security Temporary Assistance for Needy Families, veteran’s benefits) for 2010
- Your alien registration card (if you are not a U.S.)

**Helpful Hints to Apply for Federal Financial Aid:**

- **Save your FAFSA:** Save your application frequently using the "Save" button at the bottom of the screen. That way, if you lose your Internet connection, you’ll have a copy of the FAFSA data you’ve already entered.
- **Get Help:** To get an index of help topics, click on the Help button. For more information call 1.800.4.FED.AID.
- **Don’t Erase Your Form:** Use the "Exit" button with caution. Selecting this button and answering "OK" to the prompt that appears will erase every answer on your FAFSA.
- **Print Help Topics:** To print the text for a help topic or a Frequently Asked Question, open the help window then:
  - For Windows users, press the Ctrl and P keys at the same time.
  - For Mac users, press the command and P keys at the same time.
- **Sign your Application:** If you print the signature page, you need to sign it and mail it. If you have stated that you want to electronically sign your application you need to obtain a PIN.
- **Submit Your Application:** Be sure to click the "Submit" button. You will be taken to a new web page that confirms your submission and gives you a confirmation number.
Academic Honor Code
As a student at Woodland Community College, you join a community of scholars committed to excellence in the process of learning and instruction. We assume that you will pursue your studies with integrity, and honesty, meaning you will neverappropriate another person’s words, thoughts, ideas, or data as your own. We uphold the principle of academic integrity, whereby appropriate acknowledgement is given to the contributions of others in any work, through appropriate internal citations and references. It is your responsibility to know what constitutes academic dishonesty. If you fail to maintain the standard of academic integrity as set by the college, you jeopardize your current and future standing in the classroom and as a member of this institution.

Address Changes
Students are responsible for keeping their address up to date with the college. Complete an Address Change Form with the Admissions and Records Office so that the college has your correct mailing and billing information. This information will help us when we need to contact you for mailing important documents such as Financial Aid, graduation notifications, letters, and billing information.

Adds and Drops
It is the Student’s Responsibility (not the instructor’s) to submit all adds and drops. Classes added after the late add deadline must have instructor signature, date, and date of first attendance. Add/Drop forms need to be returned to the Admissions and Records Office immediately within the prescribed deadline period. Dropping classes can be done through WebAdvisor or at the Admissions and Records Office. Drop deadlines are available on the semester calendar and online.

ASSIST
ASSIST is a computerized information system that provides students with detailed course transfer and articulation information to help them plan their academic careers, facilitate a seamless transfer process, and reduce the number of redundant courses they may take as they move from community colleges to universities.

The ASSIST database includes all of the most current official articulation agreements that every CSU and UC campus has established with any of the 112 California Community Colleges. ASSIST also includes the following complete and historical information for all 112 California Community Colleges- UC Transferable Course Agreements; CSU Baccalaureate Course Lists; IGETC Course Lists; CSU GE Certification Course Lists.

ASSIST operates as California’s official statewide source for course articulation and transfer information and is freely available to all students, faculty and staff via the internet at www.assist.org.

Attendance
Attend the first class meeting of each class. If you can’t attend, notify your instructor in advance. Without prior notification, you MAY be dropped and waitlisted students may be admitted in your place. A student MUST be registered in order to attend classes. It is YOUR responsibility to drop by the deadline to avoid paying fees or receiving a grade.

Audit Policy
Students may audit a course only after they have exhausted all opportunities for course repetition. Auditing is only permitted after late registration and all credit students have first priority. An audit fee will be charged for audited classes. The BOGW enrollment fee waiver does NOT cover the audit fee. Please check with the Admissions and Records Office for more information.

C.S.U.- General Education- Breadth Requirements
Students planning to transfer to the CSU system should consult with a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses. Students are also encouraged to contact the Transfer Center.

Computer/Network Use Policy
The Yuba Community College District has developed policies (BP 3720) and regulations setting forth the specific responsibilities, obligations and procedures related to use of District computers and networks. The District has also established disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of employees and students. Contact the Information Systems Director for a copy of the regulations governing this policy.

District Grading Policy
Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points</th>

</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>

</tr>
</tbody>
</table>

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress purposes.

<table>

As of Fall 2009, CR/NC grading will no longer be used. It has been replaced by P (Pass)/NP (No Pass) per Title 5 Education Code. All CR/NC grades received prior will still be reflected on transcripts as earned prior to Fall 2009.

Drop for Non-Payment
Beginning Spring 2012, students will be dropped for non-payment if you have not paid for your registration within ten (10) days of registering for classes.

For more information see the 10 day drop information page in this schedule.

Drug-Free School Policy
Yuba Community College District recognizes that substance abuse is a major health problem throughout the United States. Substance abuse is wrong and dangerous, and will not be tolerated.

The Yuba Community College District has implemented a comprehensive substance abuse strategy to work in combating potential drug use and use of drugs by students. The policy sets forth the procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs. More detailed information on the policy may be obtained from the Dean of Student Services.

Graduation
Students who plan to graduate must file a PETITION for graduation. The graduation ceremony will occur near the end of the Spring semester. However, a student may graduate in the Spring, Summer, or Fall terms—see DEADLINE dates to apply for the graduating term that applies to you. The student is responsible for meeting all requirements and should submit all transcripts at the time of petitioning. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements checklist in order to determine if all requirements have been completed. Final graduation evaluations are done by the Admissions and Records Office.

I.G.E.T.C.- Intersegmental General Education Transfer Core
IGETC is a program which transfer students may use to fulfill lower division general education requirements in either the CSU or UC system, or admission to a specific campus or program. See a counselor for segmental and campus-specific admission requirements and lower division major requirements. All courses must be completed with a grade of “C” or better. Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements. IGETC information is also available at www.assist.org.

Parking Regulations
Parking decals are REQUIRED and must be clearly visible and placed on the front right corner of the windshield at all times while parking within any YCCD campus.

Decals are not transferable and do not guarantee that parking will be available. Parking is permitted only in the student parking lots (not in reserved spaces).

Citations will be issued to vehicles without a properly displayed parking decal or those parked in reserved spaces. Parking regulation information can be obtained from the Campus Police Department or online at http://www.yccd.edu/police/parking.html. Parking decals can be purchased from WebAdvisor.

Pass/No Pass Grading Option
A student may elect to take ONE course, not in his/her major, each semester on a P/NP graded basis. The P grade will be awarded for coursework completed at a “C” or higher level. “D” or “F” work will result in an NP grade. Dates vary for short-term classes for electing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the course.

Prerequisites, Corequisites, Advisories (Recommendations)
It is the intent of the Yuba Community College District to guide students into courses in which they will have the greatest chance for academic success. Some courses have prerequisites, corequisites, or advisories (recommended preparation) in their descriptions. Following are the definitions for prerequisites, corequisites, and advisories or recommended preparation:

A) “Prerequisite” is a course requirement that a student MUST meet in order to demonstrate current readiness for enrollment in a course or educational program.

B) “Corequisite” means a course that a student is required to take in the same semester with another course, (i.e. Biology 15 requires a Biology 15 lab).

C) “Advisory or Recommended Preparation” means a condition of enrollment that a student is advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

State regulations mandate that students have met the prerequisite for any course in which they are enrolled. Documentation must be on file (placement tests, college/high school transcripts, etc.) verifying completion of English and math prerequisites. Students should consult with a counselor.

Students who wish to challenge a prerequisite may file a challenge with the dean if the student can show that grounds exist for one of the following conditions:

I. Prerequisite course is not available.

II. Prerequisite has not been validated.

III. Student has the knowledge or ability to succeed in the course without meeting the prerequisite; or
IV. Student believes the prerequisite is discriminatory or is being applied in a discriminatory manner.

Students wishing to challenge a prerequisite should consult a counselor to discuss the procedures.

Release of Student Information
In order to help protect your privacy, a PICTURE I.D. is required to obtain any information. Generally, no information concerning a student will be released without a written release from the student. Directory information may include: your name, address, telephone listing, student class schedule, date of birth, other institutions attended, major, participation in activities and sports, weight and height of athletes, dates of attendance, degrees and awards received, etc. If you do not wish this information to be released (for example, to newspapers for the Honors List); you must file a request at the Admissions and Records Office. (See catalog for further details.)

Repeating Courses
State law mandates that courses may be repeated only under certain circumstances: if a substandard grade of D, F, or NP has been earned (the course may be repeated ONCE per AP/BP 4225); or the course is identified in the catalog description as “repeatable”.

When reasons are educationally justifiable, a student may petition to repeat a course in which a passing grade was previously earned. If approved, the course will be listed on the transcript, but the grade will not be counted in the GPA, and the students will not earn any additional units. Consult your counselor for additional information.

Selective Service Registration
By law, MEN must register with Selective Service at age 18. If you do not register, you could be prosecuted and fined up to $250,000 and/or be put in jail for up to five years. Registration is also required to qualify for federal student financial aid, job training benefits, and most federal employment. The Selective Service registration form can be obtained from your local post office, or by contacting the Selective Service at http://www.sss.gov .

Short-term Courses
Courses that do not meet for the full semester are called short-term courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Pass/No Pass grading options. Review the Schedule of Classes or the webpage for deadline dates.

Student Code of Conduct
If a student’s conduct violates District rules or regulations, the Code of Conduct for Students, or public laws, the student will be subject to one of the forms of “sanctions” included in the Code, which are:

- **Admonition.** An oral statement to a student that he or she is violating or has violated District rules or legal statutes.
- **Warning.** Notice, orally or in writing, that continuation or repetition of conduct found wrongful, within a period of time stated in the Warning, may be cause for more severe disciplinary action.
- **Censure.** A written reprimand for violation of specified regulations, including the possibility of more severe disciplinary sanctions in the event of the finding in a violation of any District regulation or legal statute within a stated period of time.
- **Disciplinary Probation.** Exclusion from participation in the Financial Aid Program and/or in privileged or extracurricular District activities as set forth in the notice for a period of time not exceeding one school year; withholding of grades and/or transcripts, if on Disciplinary Probation due to refusal to meet financial obligation to the college, including a parking fine.
- **Restitution.** Reimbursement for damage to or misappropriation of property. This may take the form of requiring appropriate service or other compensation.
- **Suspension.** Exclusion from classes and other privileges or activities, including Financial Aid, as set forth in the notice for a definite period of time not to exceed two years; may include “Withdrawal of Consent for Student to Remain on Campus.”
- **Expulsion.** Termination of student status for an indefinite period. The conditions of readmission, if any, shall be stated in the Order of Expulsion.

A copy of the Woodland Community College Code of Conduct for Students may be obtained from the Office of the Vice President of Academic and Student Services or online.

Student Probation Terminology
There are different types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss how they may affect a student’s educational goals. Students who are receiving Financial Aid or Veterans’ benefits, or who are participating in athletics, etc., should meet with a counselor to discuss progress in courses.

**Academic Probation**
Full-time students are placed on Academic Probation when their cumulative grade point average (GPA) is less than a 2.0, including grades earned in the Yuba Community College District and any other institution of higher education. Part-time students are subject to probation after enrolling in an accumulated total of 12 semester units.

**Progress Probation**
Full-time students are placed on Progress Probation when 50% or more of their accumulated Yuba Community College District
units of enrollment are entries of “W”, “I”, and “NP” grades. Part-time students are subject to probation after enrolling in an accumulated total of 12 semester units.

Dismissal
Students who have been on Academic or Progress Probation during two contiguous semesters (even though there may have been a break in attendance) are subject to dismissal from the college. Dismissal may be postponed when evidence of academic improvement or extenuating circumstances exist.

Readmission
A dismissed student may petition for readmission after consultation with a counselor.

Removal from Probation
Students are removed from Academic Probation when their cumulative GPA reaches 2.0 or higher. Students are removed from Progress Probation when the units of “W”, “I”, and “NP” grades drop below 50% of the accumulated units of enrollment.

Financial Aid Probation
Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. Financial Aid Probation is NOT the same as Academic/Progress Probation. See Financial Aid section for further information.

Student Responsibility
It is each student’s responsibility to adhere to all rules, regulations and deadlines relating to Woodland Community College. Consult the catalog for more detailed information.

Tobacco Policy
Woodland Community College is a tobacco-free campus effective August 18, 2003. Use of any form of tobacco is prohibited at all times in the following areas:

1. On all grounds and in all buildings of the Woodland Community College campus.
2. On all grounds and in all buildings of the Colusa County Outreach Facility
3. In or on any space, building, or classroom leased or rented by the college.
4. In all vehicles owned or leased by the college.

This policy and these regulations apply to employees, students, visitors, and other persons who enter any Woodland Community College facility.

Transcripts
The Yuba Community College District will issue the first two transcripts free of charge that a student requests. Additional copies thereafter cost $5.00 per copy. An additional $10.00 rush fee will be charged for over the counter requests. Student signatures are required for release of transcripts. Information is available at http://wcc.yccd.edu/admissions/transcripts.aspx or by coming into the Admissions and Records Office. A PHOTO I.D. is required.

Unit Limitation
Students may not take more than 19 units without the approval of a counselor during the Fall or Spring semesters. During the summer term, the unit limit is eight.

Waitlists
As a student, if you are on a wait list, you must attend the first day of class. The instructor will review the student roster indicating the waitlisted students (in the order they signed up for the wait list). If there are any students who did “not show” for the first class meeting, the instructor can drop those students and admit students from the wait list. The instructor MUST sign and date an “ADD FORM” and the student MUST bring the form to the Admissions and Records Office to be officially enrolled in the course by the deadline date outlined in the schedule of classes and online. After the waitlist is exhausted, the instructor then may add students who were not on the waitlist.

Dropping a Class is the STUDENT’s Responsibility
Never assume an instructor will drop you from a class because of non-attendance. If YOU fail to drop the class, you may end up with a failing (“F”) grade at the end of the term. Drop yourself through WebAdvisor or come to the Admissions and Records Office and complete a Drop Form. Drop deadlines vary for short-term classes.

Financial Aid
(530) 661-5725, Building 700, Lobby
Woodland Community College has a financial aid program that includes scholarships, grants, and other aid designed to help students who need financial assistance to further their educational goals. If you need assistance in bridging the gap between your own resources and the cost of attending college, complete a student aid application.

It is not too late to apply for a PELL grant for the school year. Students need to complete a Free Application for Federal Student Aid (FAFSA) which is available on-line at www.fafsa.ed.gov.

Soon after you complete the FAFSA application online, the Department of Education central processing center will send an email to you to confirm receipt of your application. Once
the college receives your application, the school will notify you of any further documentation that may be required. The Financial Aid staff will help you through the rest of the awarding process. The FAFSA application should be completed as soon as possible. Applications for the academic year 2011-2012 are available as of January 1, 2011.

Tech Prep Program
(530) 634-7785, Yuba Community College District
The Tech Prep Program of the Yuba Community College District coordinates the awarding of college credit to high school students who meet approved articulation requirements. An articulated course is one in which the high school instructor/Regional Occupational Program (ROP) and Woodland Community College faculty have formally agreed that the high school’s/ROPs course outline, syllabus, textbook, and final exam are comparable to those in a course of the same major within Woodland Community College. Students receive credit on a Woodland Community College transcript once articulation requirements have been completed. The Tech Prep Program prepares students to earn a certificate, an associate’s degree or transfer to a 4-year university.

For more information about the Tech Prep Program, call the YCCD Tech Prep Office at the number listed above, visit the Admissions and Records Office at any of the campuses, or see your counselor. Also visit the Tech Prep website at www.yccd.edu/techprep/.
TRiO Programs

(530) 661-2285, Building 700, Room 775

Upward Bound and Student Support Services (SSS) are two federally funded programs designed to support students who are potentially the first generation in their family to graduate from college and/or who are low income, as well as students with disabilities, as they work to achieve their educational goals. “TRiO” is the umbrella term for these, and their sister programs, that are funded by the U.S. Department of Education. The TRiO offices are located in Building 700, Office 775. For additional information or for applications for either program, please contact: (530) 661-2285. All services offered to participants are free of charge.”

Upward Bound:

(530) 668-2506, 99 Ella Street, Williams, CA

Upward Bound serves three high schools in Colusa County: Maxwell, Pierce and Williams High Schools. Through a variety of services, the program helps its participants to acquire the skills and motivation necessary to be successful in high school curriculum, prepare for college/the college admissions process, and establish an academic foundation to sustain success in a college environment. Upward Bound creates opportunities for its participants to pursue a postsecondary education and attain a degree. Services include academic advising; assistance with completing college entrance and financial aid applications; assistance with preparing for college entrance exams; career exploration; exposure to academic programs and cultural events; financial aid advising; information on postsecondary educational opportunities; mentoring; peer counseling; and tutoring services.

Student Support Services (SSS):

(530) 661-2285, Building 700, Room 775

(530) 668-2505, Colusa County Outreach Facility

The goal of SSS is to increase the college retention and graduation rates of its participants. The SSS program provides its participants with counseling services; academic tutoring; supplemental instruction in reading, writing, study skills, mathematics, science, and other subjects; advice and assistance in postsecondary course selection; information on financial aid; and guidance as they research, apply, and transition to four-year institutions.

Tutoring Center

(530) 661-5733, Building 800, Room 809

The Tutoring Center provides free assistance in most subjects and is available to all registered students. If you need tutoring or wish to be a tutor, stop by the Tutoring Center.

(530) 661-5797
dmclain@ycccd.edu
1.) You will first want to click on the WebAdvisor link on the left side of the Woodland Community College homepage (http://wcc.yccd.edu).

2.) To LogIn to WebAdvisor you will first want to click on the top right portion of the screen where it says “LogIn”.

3.) After you click on the word “LogIn” it will bring you to a page that looks like the one below. Here you will input your **Student ID** (first initial of your last name + your 7-digit ID). For example, if your last name is Xavier and your ID is 0701229 your Student ID would be X0701229. You would input this in the User ID field.

   Next you will input your password into the password field. If you have never logged into WebAdvisor before, the password will be your date of birth in the form of **MMDDYY**. For example, if you were born on May 1, 1980 your password would be 050180.
**If you have already logged in and have changed your password but do not remember, you will want to go to the Login and Password Info button under the LogIn button off of the main WebAdvisor page. This will take you to a reset password link where you are able to reset your password back to your birthdate.**

4.) Once you have logged in, the system will take you to this screen. You will then know that you are inside of the WebAdvisor by the following three key items: 1. It will say Welcome and your name, 2. You will see a blue Students bar, and 3. You will now see a Log Out button along the top. After you see these three items you will want to click on the Student box.
5.) Now that you are logged into the Student system, you will see a menu like the one below. There are several options available to you. Take a look around and check out all the options. For registration, you will want to click on the “Register for Sections” option on the left under the Registration tab.

6.) Once you click on “Register for Sections” you will see different hyperlinks that are available. If you are unfamiliar with WebAdvisor, choose the “Search and Register for Sections” link. This will give you the most information to select.
7.) On the next page you will want to select **three** (3) key items to begin searching: **Term**, **Subject**, and **Location**. Use the drop down menus under each area to select the appropriate or corresponding items. Once you have selected each item that you are looking for, click **Submit** at the bottom of the page.

![Search/Register for Sections](image)

For a simple search, by term, subject and location, you will want to select three boxes on the left side.

1.) **Term** (use the drop down box to select the appropriate term)  
2.) **Subject** (scroll through the subjects available to select the subjects you are looking for)  
3.) **Location** (use the drop down box to select the location or type (online/TV) that you wish to take courses from)  

Then you will select the **Submit** button at the bottom of the screen.

8.) Once you have found the course that you are interested in, you will want to place a check mark in the left hand column and then click **Submit** as shown in the diagram below.

![Course Selection](image)

Once you have found the course you would like to take, click in the box to the left of the course as shown above and then click **Submit**.

![Submit Button](image)
9.) Now that you have chosen the course that you are registering for and have clicked Submit, it will take you to a Registration Results page. This page will provide you with IMPORTANT information. It will tell you two key pieces of information.
   1.) The following request(s) have been processed.
   2.) The status of your request

These two items are very important. The status is key to knowing if the transaction that you just entered in WebAdvisor went through in the system. If you DO NOT see that it says “Registered for this section” then you are not registered for that section.

10.) Once you have completed one course, then you can click the “OK” button at the bottom of the page and start the process all over again for another course.

As you become more comfortable using the WebAdvisor system you will find that the other registration hyperlinks are just as easy as the Search and Register for Sections function.

Also make sure you pay for your fees once you enroll. There is a 10-day drop for non-payment as you register for your classes.

Don’t forget to always Log Out of the system after use.

### NURSING

#### NURS-1A Fundamentals of Nursing **CSU**

Fundamental basic nursing knowledge and skills introducing the student to the practice of nursing. Provides theoretical foundation for the basis of safe nursing practice. Integrating core nursing concepts to meet the basic needs of the hospitalized patient. Learning activities in the classroom, online and in the laboratory setting allows the student to gain proficiency in fundamental nursing skills and concepts. Corequisite: NURS 26 may be taken concurrently. Prerequisite: NURS 26, NURS 36, and formal admission to the Yuba College Nursing Program. Computer literacy skills are recommended. (L,M)

YCCD eLearning & Instructional Television Courses

The YCCD eLearning and Instructional Television courses are specifically designed to meet the educational lifestyle of Yuba Community College District’s students. Students may take a course while at home, work, at a high school, or on another one of YCCD’s campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Are You Ready to Take an Online Class?
EDUC/MCOMM 40: Introduction to Online Learning is highly recommended for YCCD eLearning.

If you can answer “yes” to five of the six questions below, you are probably ready to take an online class.

1. Do you have regular access to a computer? Yes _____ No _____
   You will regularly need to access the class via the Internet 2 or more times for approximately 10 hours per week. Recommended computer specifications and other helpful information can be found under student resources/systems requirements at: http://de.yccd.edu.

2. Are you able to work on your own and are you a self-starter? Yes _____ No _____
   Online classes require you to take responsibility for your education. Do you complete assignments ahead of time? Are you well organized? Do you manage time well?

3. Do you have basic computer and word processing skills? Yes _____ No _____
   You don’t have to be a computer expert to take an online class, but you need to be able to navigate the web, download materials, print materials, word process, use e-mail and have other basic skills.

4. Do you have good reading and comprehension skills? Yes _____ No _____
   Most materials for online classes are provided in writing – generally you will not hear lectures, you will read them. The textbook for online classes is generally more critical than in a regular class. If you are a poor reader, you are not ready to take an online class.

5. Can you allocate at least 10 hours a week for online class work? Yes _____ No _____
   Online students are expected to learn content, post assignments, take exams and participate in online discussions. Successful students commit time weekly for their online learning.

6. Have you taken an online class before and/or have you viewed the YCCD eLearning (Blackboard) Orientation? Yes _____ No _____
   View the YCCD eLearning (Blackboard) Orientation linked off the Distributive Education home page prior to the first day of classes: http://de.yccd.edu

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com

User Requirements: A personal computer with internet browser (IE 7.0 or higher or Firefox 2.0 or higher, Safari 5.0 or higher), Real player 10 or higher, and a reliable internet connection at least a 56.5 Kbps modem; broadband connection such as DSL, cable, or satellite highly recommended. All plug-ins and supported browsers are available to download at http://de.yccd.edu.

YCCD eLearning (Blackboard) – http://de.yccd.edu Log in before classes start to run a browser check, to view the orientation and FAQ section. To login to YCCD eLearning (Blackboard) use the same information as your WebAdvisor login. User name: First initial of your last name (capitalized) followed by your student ID number. Default Password: Your birth date in mmdyy format. Note: If you have changed your password in WebAdvisor, use that password for your login.
To reset password to birth date: https://webadvisor.yccd.edu/WebAdvisor/html/password.html

Completion of these programs also meet the requirement:

Associate Degree Nursing; Psychiatric Technician; Radiologic Technology; Veterinary Tech; Vocational Nursing

04/20/11
This pattern is designed to satisfy the 39 units of lower division G.E. requirement to any of the CSU campuses. A minimum of 48 semester units in General Education (G.E.) is required for a BA/BS degree, 9 semester units must be at the upper division level. G.E. units in excess of 39 completed at YCCD campuses may transfer as lower division major and/or elective (70 C.C. units maximum). **CSU campuses may have additional lower division graduation requirements outside of G.E.** See a Woodland Community College Counselor for additional General Education and major requirements for individual campuses.

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. NOTE: All courses must be completed with grades of “C” or better.

Circle courses taken at Yuba College, list courses taken at other colleges. Indicate name of test if requirement was met with Advanced Placement (AP).

**Legend:**  
- **C** = Completed  
- **IP** = In Progress  
- **R** = Remaining  
- + Transfer credit is limited by either UC or CSU or both. (Consult with a counselor)  
- * Courses designated with an asterisk may be counted in only one area.  
- # Indicates both courses must be completed to meet area requirement.
