

Dear Friends of Woodland Community College,

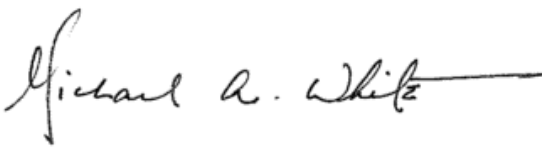

The March 11, 2016 Woodland Community College Foundation (WCCF) Founders' Day Dinner is right around the corner and I need your help! This year's event honors community leader **Skip Davies**, past College employees **Sunny Foster** and **Jim Lawson**, alumna **Tania Garcia-Cadena**, former instructor **Lee Mitchell** (posthumous) and the **First 5 Yolo** for their support of local foster children.

I ask that you consider sponsoring our event and the academic programs of your choice. Foundation Board members will direct undesignated donations to the Dorothy Minges Student Emergency Fund, Lake County student textbook vouchers, and the WCC Research Symposium project.

If you choose to do so, the Foundation will gladly direct your sponsorship to any program. In the past many of you have you have designated donations to the agricultural program, specific student scholarships, and the like. I encourage you to consider making the designated or undesignated sponsorship of your choice!

The March 11 WCCF Founder's Day dinner continues to be one of the city's key "friend-making" as well as College "fund-raising" recognition celebrations. I ask that you go online (<https://wcc.yccd.edu/foundation/Default>) to sponsor the night by making an undesignated donation or call WCC President's Executive Assistant, Ana Villagrana, at (530)-661-5711 to designate your sponsorship to a particular program. Event sponsorship levels may be found on page two of this letter.

Sincerely,

Dr. Michael White
President
Woodland Community College

Woodland Community College Foundation Board

David Althausen, Jr., Hiedi Andersen, Wayne Ginsburg, Lynn Jepsen, Sean Kolb,
