

BE A STANDOUT

LinkedIn is the World's Largest Professional Network with more than 225 million members. While you may be established on Facebook and like to tweet, a well-developed LinkedIn profile will help you build a professional presence and make connections in the workplace. If you have a good Profile, LinkedIn will give you a competitive advantage in your job search quest.

Are you doing all the right things with your LinkedIn profile or are you making LinkedIn mistakes that could hurt you?

Take this LinkedIn quiz to find out!

On average, people only spend 5.7 seconds looking at your profile.

The area that gets the most attention is your picture — so select a good one!
