WCC Looks Forward to Summer Academies

Woodland Community College is bracing for the continuation of its successful summer offerings at the Woodland, Colusa, and Lake County campuses, including programs that aim at giving high school students a jump start on college. Programs specifically targeting high school juniors and seniors, or Summer Academies, are being held at the three campuses as part of the college's planning profile that emphasizes strong collaboration with K-12 Districts, student equity, and student success. The College is also using the Completion by Design framework, where students are engaged while in high school, and provided expansive educational and student services experiences from matriculation through college completion.

At the WCC campus in Woodland, Academies will be offered in Administration of Justice, Business, Agriculture, and transfer level university courses. High school students can enroll in the Administration of Justice Academy, where a student can earn up to 6 units of university transferable credits in Criminal Investigation and Physical Agility & Wellness. In its third year running, this Academy introduces students to a law enforcement pathway and includes classes in physical agility, crime scene investigation, and an overview of criminal justice.

The Small Business Academy is an intensive introduction to entrepreneurship and small business management. Here, students learn the rudiments of starting and operating a small business, including writing a business plan, marketing, and financial management. At the culmination of the Academy, students present their business ideas to actual business investors. Last year, a student received a \$50,000 investment in his gaming business.

Students can also take courses under the University Academy. These courses, scheduled as part of the summer offerings, meet general education and transfer requirements to CSUs and UCs and include sociology, speech, psychology, political science, Spanish, philosophy, music, Health, history, etc.

Students interested in an Agriculture pathway can take courses in Environmental Technology – Water Distribution Systems.

At the Colusa County Campus, offerings include transfer level courses in Counseling, Health, Early Childhood Education and Ethnic Studies, while the Lake County Campus will offer a range of general education transfer courses.

Getting a jump on a college education while in high school can save students thousands of dollars and enable timely completion of college. Summer registration for high school students begins on May 16, 2016. Students must complete a concurrent enrollment form signed by the high school principal and parent. Clear Lake Campus Realignment & Name Change

Lake County Campus Culinary Arts students prepare lunch at the campus restaurant "Aroma's."

Clear Lake Campus is now the Lake County Campus of Woodland Community College (LCC)! In September of 2013, the Yuba Community College District Board of Trustees directed Chancellor Dr. Douglas Houston to develop an analysis of the possible realignment of Clear Lake Campus to Woodland Community College. The purpose of this analysis was to consider program and support service enhancement at the Lake County Campus while the Yuba Community College District continues to grow and evolve as a multi-college district. Chancellor Houston recommended in favor of realignment and the Yuba Community College District Board of Trustees took action to approve in January of 2014.

For over four decades the Lake County Campus has provided high-quality educational experiences to Lake County community members seeking to advance their personal and professional lives. Rich in diversity, the Lake County Campus environment continues to reflect a culture of inclusion with faculty, staff, and students who care about and support each other. The "student first" philosophy remains unchanged at the Lake County Campus. Whether students desire an industry career technical certification, classes that lead to transfer to a four-year institution, or basic language and math skills, the faculty and staff at the Lake County Campus are ready to help. Explore the positive and enriching educational opportunities here at the Lake County Campus of Woodland Community College. Call today and let us know how Lake County Campus may help ensure your success!

WCC Ranked one of the Top 25 community colleges in California!

"Serving fewer than 3,000 students each year, Woodland Community College is the smallest school featured on our list, but because of this, it also boasts one of the best student-to-faculty ratios. Another claim to fame: the school's combined UC-CSU transfer rate placed it among the top 10 percent of all community colleges statewide in 2014. Woodland's president, Dr. Michael A. White, describes the institution's faculty as its greatest asset in his President's Message, though the school's emphasis on ongoing academic support and counseling likely played a role in its success, too."

DUAL ENROLLMENT:

Partnerships with Area High Schools

Woodland Community College is pleased to announce dual enrollment partnerships with Lower Lake High School, Middletown High School, Pierce High School, Pioneer High School, and Williams Junior and Senior High School. According to The Research and Planning Group of California Community Colleges (The RP Group), dual enrollment is "an opportunity to complete college-level coursework to earn college credits while they are pursuing their high school diploma." Some of the benefits cited by The RP Group include:

- effective method to help students complete high school and begin college.
- effective transition to college-level work.
- chance to address skills gaps, build study skills, and increase overall academic preparation.
- chance to explore careers and college majors.
- classes to be held during high school hours on high school campuses.

Effective spring 2016, fees for high school students who have parental and principal approval and are enrolling in fewer than 11 units may be waived.

Message from the President

The students, staff, faculty and administration at Woodland Community College are very excited to offer this newly formatted summer and fall 2016 course schedule. Summer and fall 2016 semester courses at the Woodland campus, the Lake County Campus, the Colusa County Campus, as well distance education courses, provide everyone an opportunity to learn! Our College website (<https://wcc.yccd.edu/>) has even more financial aid and course registration information to help you enroll.

Please take the time to explore transfer, career technical education, or language courses our College offers. If you are a first-time college student, a continuing college student, or are considering a return after some time away from the college classroom, I strongly encourage you to visit our counseling staff. We look forward to seeing you on the Woodland, Lake, or Colusa campuses soon!

Mensaje del Presidente

Los estudiantes, personal, facultad y administración en Woodland Community College estamos muy emocionados de ofrecer este nuevo formato para el catálogo de clases Verano/Otoño 2016. ¡Los cursos de Verano/Otoño 2016 en los planteles de Woodland Community College, Lake County Campus y Colusa County Campus, así como también los cursos de educación a distancia, ofrecen a todos una oportunidad de aprender! Nuestro sitio web es <https://wcc.yccd.edu/> y contiene aún más información sobre ayuda financiera, Inscripción y matriculación.

Por favor toma el tiempo para explorar la transferencia, educación de carreras técnicas, o cursos de lenguaje que ofrece nuestro colegio. Si es tu primera vez como estudiante de colegio, o eres un estudiante que continua, o si estas considerando volver después de un tiempo fuera del aula de colegio, te invito a que visites nuestro personal de consejería. Esperamos verte pronto en los campus de Woodland, Lake, o Colusa.

WCC Enrollment Process (Matriculation) - Información sobre Matriculación o Inscripción

Matriculation is a process that enhances student access to the California Community Colleges and promotes and sustains the efforts of credit students to be successful in their educational endeavors. The goals of matriculation are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives through the assistance of the student-direct components of the matriculation process: admissions, orientation, assessment and testing, counseling, and student follow-up. Here are the steps to follow to become a new student at Woodland Community College.

STEP 1: Apply for Admission

If you have not yet applied for admission to Woodland Community College, please Apply Now! complete the California Community College application (CCCApply) online and submit before continuing to Orientation. After submitting your application for admission, you will receive an email message with the important steps to follow to become a WCC student. A WebAdvisor account will be activated within 20-30 minutes after you complete your application for admission. This account will allow you to complete the Online Orientation.

STEP 2: Complete the Online Orientation

Before taking the online orientation, you will need to look up your WebAdvisor User ID. Your WebAdvisor User ID is the first initial of your last name (capitalized) followed by your 7 digit student ID number (i.e. L0123456). If you do not know your 7 digit student ID number, you can retrieve your [WebAdvisor User ID here](#) by clicking on the "Look it up here" link under "What is MyCampus Key Login?" Note: If you did not provide a social security number in your OpenCCC application, you will need to visit the Admissions & Records office to receive your student ID number.

Once you have your WebAdvisor User ID, [access the online orientation here](#), and enter your WebAdvisor User ID and password. If this is your first time logging into your WebAdvisor account, your default password will be your birth date in mmddyy format. For example, if you were born on January 1, 1994, your password will be 010194.

STEP 3: Complete College Placement/Assessment Test

After completion of the online orientation quiz, call the WCC Admissions & Records Office at (530) 661-5720 to make an appointment to take the Placement/Assessment Test, which evaluates your skills in English, Math, and Reading to enable you and your counselor to choose the right courses for your first semester at WCC. Check the Placement/Assessment Test schedule and location here: <http://wcc.yccd.edu/admissions/assessment.aspx>. Testing is by appointment only. When you complete the placement/assessment test, you will be given your scores and the opportunity to choose the date and time of the required Counseling Session you would like to attend. **Note: Childcare is not available. Please make appropriate arrangements prior to testing.**

STEP 4: Attend a Counseling Session

Attend the required Counseling Session for which you were scheduled following completion of the Assessment Test. Be sure to keep your Counseling Session appointment in order to be cleared for registration. With the help of the counselor, you will select the courses in which you will enroll during your first semester at WCC. Call the Counseling Office to schedule a counseling appointment at (530) 661 -5703.

STEP 5: Register & Pay Fees

On or after your Priority Registration Date, register and pay your fees online through WebAdvisor. Be sure to observe the TEN DAYS TO PAY rule to avoid being dropped from your courses for nonpayment. If you believe you are eligible for Financial Aid and/or the Board of Governors enrollment fee waiver, apply through the Financial Aid office before registering.

STEP 6: Be sure to attend the first meeting of each of your classes, and best wishes as you begin your studies at Woodland Community College.

Matriculation Exemption:

Certain students, because of their educational background and plans for study, are exempted from Matriculation requirements. If two or more of the following criteria apply to you, please email WCCAdmissionsInfo@yccd.edu stating your full name as entered on your application for admission and your Student ID number, along with the numbers of the **two or more** exemption criteria that apply to you:

1. Have completed an associate or higher degree (verification required – provide a copy of the degree or transcripts)
2. Will be enrolling in performance classes only (e.g. music, drama, physical education activity classes)
3. Enrolling in fewer than six units
4. Not planning to earn a degree or certificate
5. Enrolling in job-skill upgrade, self-improvement or general interest courses
6. Enrolling in classes for which you have previous training, i.e., firefighter taking an E.M.T. class
7. You are planning on enrolling in the Fire Academy
8. Still attending high school and attempting to enroll in a college course(s) through the Concurrent Enrollment program

If you email a request for Matriculation exemption, we will respond with the next steps to follow to register.

CURRENT HIGH SCHOOL STUDENTS:

The Yuba Community College District may accept as a Part-time student, eligible high school students who have completed the eighth grade.

See your High School Counselor for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

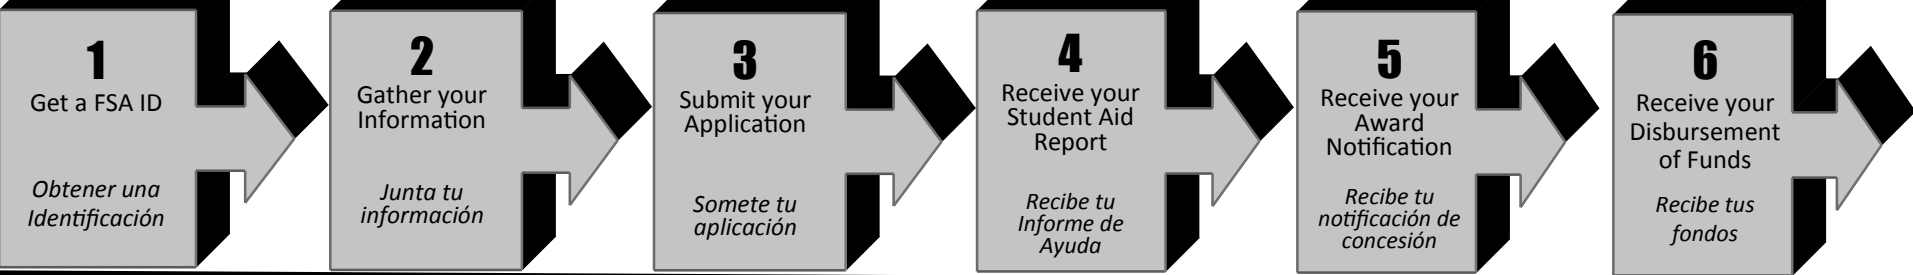

1. Student must have completed the 8th grade;
2. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.). The Placement Exam can be taken to demonstrate level. PICTURE I.D. IS REQUIRED.
3. Students should enroll in college level courses (courses numbered 1-99). No Physical Education courses allowed.
4. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student’s involvement in an educational process.
5. **Register starting May 16, 2016 in person.**

According to AP 5020 and AP 5030 high school student’s enrollment and health fees are waived. Exception: High school students in a full-time status are required to pay both enrollment and health fees. (**Note:** Concurrently enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

High School Students must also follow the enrollment steps above. They also must obtain the Concurrent Enrollment Form from their high school counselor and collect the necessary signatures. This must be done prior to registering.

FINANCIAL AID INFORMATION

Financial Aid Information - Información sobre Ayuda Financiera

STEP 1: Get a FSA ID

The Department of Education FSA IDer) serves as the electronic signature on the FAFSA and other federal aid documents for students and parents. <http://www.fsaidth.gov>.

STEP 2: Gather your Information

You will need personal information such as your Social Security Number (SSN), driver’s license number, your Alien Registration Number (if you are not a U.S. citizen), and Federal tax information or tax returns (including W-2 information) to complete your FAFSA. Dependent students will also need this information for their parents.

STEP 3: Submit your Application

Woodland Community College Federal School Code is: **041438**. Complete your FREE Application for Federal Student Aid (FAFSA).

HELPFUL HINTS:

- **Save your FAFSA:** Save your application frequently using the ‘SAVE’ button at the bottom of the screen. If you lose your internet connection, you’ll have a copy of the FAFSA data you’ve already entered.
- **Get Help:** Click on the ‘Help’ button or stop by your Financial Aid Office.
- **Sign and Submit:** Sign and submit your FAFSA application. Once you have signed and submitted your application, you will receive a confirmation number.

STEP 4: Receive your Student Aid Report

Once the FAFSA is processed you will receive a Student Aid Report. The college will also receive a copy of your report electronically. The college will begin processing your report and send you a letter or email you for additional information as needed. Please update any information and provide verification once the college has requested documents.

STEP 5: Receive your Award Notification

You will receive notification of your award from the Financial Aid Office. Your WebAdvisor account will have the most current award information. You can print your award letter from your WebAdvisor account.

STEP 6: Receive your Disbursement of Funds

Financial aid funds are disbursed according to the payment schedule posted on the colleges website. Payments begin on a weekly basis, starting the first week of the semester. You must be enrolled and have an award before payment can be made. You must be making satisfactory academic progress to continue receiving financial aid. If you drop your classes you may need to repay funds. Disbursement of funds may be held for several reasons, such as disenrollment, insufficient number of units, academic progress, holds, or missing information.

What else is needed?

Check out the Student Guide to Financial Aid posted on the website for additional information. Complete all the units you are enrolled in, with a 2.00 GPA or higher. Keep your mailing address and phone number current. Contact the Financial Aid Office if you have any questions. **Be sure to frequently check your YCCD email.**

TYPES OF FINANCIAL AID

There are several types of financial aid available to students, including grants, work-study, and scholarships. Financial aid awards are based on eligibility, financial need and the amount of funds available. For additional information, visit the Financial Aid website at wcc.yccd.edu or stop by the Financial Aid Office located in the 700 Building.

Board of Governors Fee Waiver (BOG)

The BOG Fee Waiver waives enrollment fees (tuition) for students who meet the eligibility requirements. California residents and eligible AB 540 students may apply. Residency and AB 540 eligibility is determined by Admissions and Records.

Federal Grants and Work-Study

Pell Grant:

This grant is awarded to students with financial need based on the student’s Expected Family Contribution (EFC). The award varies based on the number of units a student is enrolled in each semester. The student must be enrolled in approved courses. A student may not receive Pell grant funds from more than one school at a time. The maximum lifetime eligibility is the equivalent of 6 years of school at full-time enrollment.

Work-Study: These funds are awarded to students who demonstrate financial need. FWS provides part-time employment on campus. Funds are limited and awarded on a first-come, first-serve basis. Must be enrolled in at least 6 units.

Federal Supplemental Educational Opportunity Grant (FSEOG): These funds are limited and awarded to students who are enrolled in at least 6 units with exceptional financial need as determined by the Financial Aid Office.

CalGrant

The California Student Aid Commission (CSAC) administers the CalGrant program. These funds are awarded to California residents who filed a FAFSA and CalGrant GPA Verification form by the March 2nd or September 2nd deadline and demonstrate financial need.

Students must be enrolled in an approved degree or eligible certificate program and be enrolled in at least 6 units per semester. For additional information, visit the CSAC website at www.csac.ca.gov.

Chafee

The California Chafee Grant is a grant for current or former California foster youth to help pay for college or career and technical training.

To qualify, you must:

- Be a current or former foster youth
- Not have reached your 22nd birthday as of July 1 of the award year
- Have financial need

For additional information visit the Chafee website at www.chafee.csac.ca.gov.

Full-time Student Success Grant

The Full-Time Student Success Grant (FTSSG) is a new financial aid program administered by the California Student Aid Commission.

To qualify, you must:

- Be a CalGrant B recipient
- Enrolled full-time (12 or more units)
- Currently attending a California Community College

Scholarships

A number of scholarships are available through the Yuba Community College District Foundation and through other donors. Scholarships are awarded based upon various criteria, including financial need, grade point average, career goals, and extracurricular activities. Scholarship enrollment requirements vary.

The Foundation Scholarship Application is available at the WCC Financial Aid Office. Other donor sponsored scholarships are posted on the Scholarship Opportunities board located in the Eagle’s Nest.

Satisfactory Academic Progress (SAP)

Federal regulations require all students who receive financial aid maintain SAP in their course of study, regardless of whether they have ever applied for or received financial aid. Yuba Community College District, through the Financial Aid Office, **monitors that progress using Quantitative, Qualitative, and Maximum Time Frame criteria.**

All standards are checked at the end of each semester during the academic year for all the periods a student is enrolled.

Quantitative: A student is required to complete at least 70% of all attempted units each semester and cumulative to ensure an acceptable pace of progression toward completion of their selected educational goal within a maximum time frame.

Qualitative: A student is required to maintain a Grade Point Average of at least 2.0 for each semester enrolled in and cumulative.

Maximum Time Frame: Time frame is used to determine the maximum number of units for which a student may receive financial aid for their educational goal. Remedial, transfer and ESL credits are included in the calculation of maximum time frame.

- Associate Degree: maximum allowed is 90 units
- Transfer: maximum allowed is 90 units
- Certificate: maximum allowed is 45 units

Failure to meet SAP standards will place a student in warning or terminated status. Students should read the Financial Aid Guide available at www.wcc.yccd.edu.

If a student drops classes before the next disbursement of their financial aid, their second disbursement will be adjusted to reflect their new enrollment status.

If a student drops or withdraws from all of their classes prior to completing 60% of the term, it will affect their eligibility for financial aid and could result in the student having to repay all or a portion of the financial aid received.

Students are notified of their SAP status via their student YCCD email. It is important students activate their student email account and check their email frequently.

Higher One

Woodland Community College, as part of the Yuba Community College District, has changed the way we disburse financial aid funds to our students. Students will be issued a My Yuba Card and offered three payment options:

- Higher One Debit Card (My Yuba Card)
- Direct Deposit into your bank account, or
- Receive your check by (snail) mail

Students will receive a My Yuba Card issued by Higher One during the first term they register in a class. Look for the card to be delivered in a green envelope shown below.

FEES & REFUNDS

The enrollment fee is subject to change and is established by the State Legislature. If fees are increased by the State Legislature after publication of the schedule, students will be billed for the additional fees. **All fees are due to the college at the time of enrollment.** No future enrollments may take place until all debts are paid. Fees may be paid by cash, check, VISA, MasterCard, Discover, ATM, or fee waiver. **Students can be dropped from their courses if fees are not paid within 10 days from time of enrollment** (see 10 Days to Pay Policy).

FEE	AMOUNT	REQUIRED OF
Enrollment Fee	\$46 per unit—Fees are set by the State. (If fee is increased, students are billed at the new rate.)	All students, except those eligible for the Board of Governors’ Enrollment Fee Waiver (BOGW) and concurrently enrolled students

REFUNDS:

Deadline for Short Term Classes:

You ***must*** drop your class by the end of the ***second*** class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through WebAdvisor.

If your class has more than 30 meeting days:

- 31-40 days – end of 3rd class meeting
- 41-50 days – end of 4th class meeting
- 51-60 days – end of 5th class meeting

Deadline for Full Term SUMMER Classes: June 20, 2016

Deadline for Full Term FALL Classes: August 26, 2016

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A \$10.00 processing fee is charged for refunds. Students must make a request for a fee refund through the on-line request form in WebAdvisor. If fees were paid by check, there will be a 3 week waiting period before the refund can be processed. For fees paid by credit card, the refund will be credited back to the original card used. Please allow up to four weeks processing time for cash and credit card refunds. E-mail cashier@yccd.edu for the status of your refund.

RETURN TO TITLE 4 (R2T4). Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba College or to the Department of Education, per Federal regulations.

10 Days to Pay

Students have 10 days to pay for their classes from the time of registration. Students who have not paid their fees within 10 days may be dropped for non-payment.

To avoid being dropped from your classes take one of the following steps:

- 1.) Pay for your classes in full; **OR**
- 2.) Complete a Board of Governors Fee Waiver (BOGW) with Financial Aid **PRIOR** to registration; **OR**
- 3.) Sign up for a payment plan online through WebAdvisor. **Students are responsible for making payment arrangements.** Those who do not make payments may be dropped from one or more classes. Once you have registered you will be able to see your status in MyCampus Portal and through NelNet’s website: <http://mypaymentplan.com>.
- 4.) **IMPORTANT: Students are responsible for any fees incurred and grades received. It is the student's responsibility to drop classes by the State-mandated refund deadline to avoid fee obligations and they must be aware of all other published deadlines. (Once classes begin, non-attendance or non-payment does not release the student from his/her responsibility and may result in student fee debt and failing grades being awarded).**

Make sure your fees are paid so your classes are secure before the term starts.

American Opportunity (Hope) and/or Lifetime Learning Tax Credits Taxpayer Relief Act of 1997

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

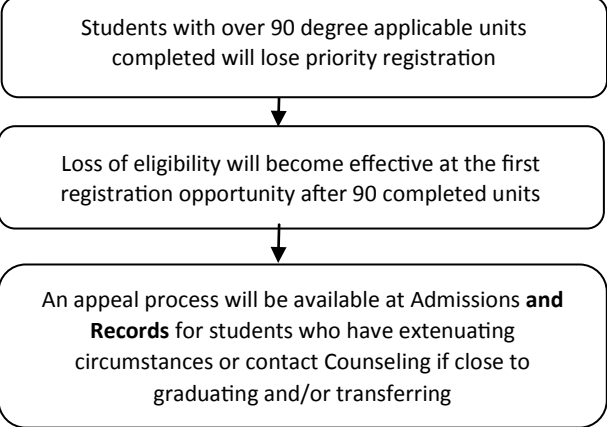

Loss of BOG Fee Waiver and Enrollment Priority California Community College’s Chancellor Office

SB 1456 establishes the Student Success Act of 2012 and requires any college or district receiving funds to provide support services including orientation, assessment, counseling and education planning. Students qualifying for a fee waiver are required to identify, upon enrollment, a degree, certificate, or transfer goal and meet Satisfactory Academic Progress (SAP) standards.

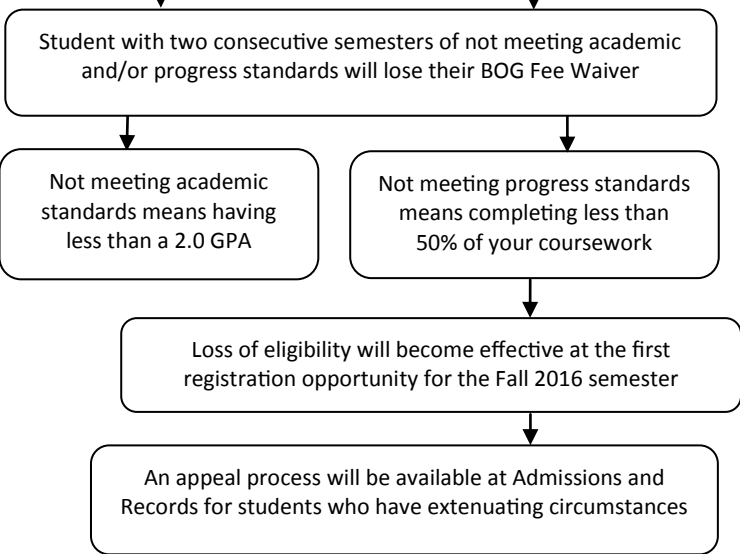

What Can You Do Now?

- ◆ Enroll in a course-load in which you can be successful
- ◆ Maintain at least a 2.0 GPA each semester
- ◆ Seek appropriate student and academic support services, when needed

Miscellaneous Registration Information - Información de Registro Diverso

Adding a Course

Students can add classes through WebAdvisor through the **last day to add** for open classes. If a class is closed or waitlisted, permission of the instructor is required. Students with an ADD FORM signed by the instructor must register in person at the Admissions and Records Office by **August 26, 2016** for full-semester classes.

Dropping a Course

Students can drop a class through WebAdvisor or at Admissions and Records according to the **deadline dates** on the calendar on page 2 and page 5. Be aware of deadlines and meet with a counselor if you are unsure about dropping a course. If you receive Financial Aid, make sure you discuss this with Financial Aid before dropping as it will affect your Financial Aid status. Dropping a course is the **STUDENT’S RESPONSIBILITY**. Never assume that you will be dropped by an instructor.

AB 540 and AB 2000 - Non-Resident Tuition Exemption

Non-residents who attended a California high school for three years and graduated from a California high school may apply for the AB 540or AB 2000 California Non-Resident Tuition Exemption. An official copy of the student’s high school transcript must be presented when submitting the California Nonresident Tuition Exemption Form, available at the Admissions and Records Office or from the website at https://wcc.yccd.edu/admissions/forms. Non-residents who qualify for this exemption are not required to pay the non-resident tuition fee.

Non-Resident Tuition

Non-residents are required to pay a tuition fee in addition to the fees paid by California residents. Non-resident active duty military personnel stationed in California, and their dependents, are eligible for a tuition exemption, paying the same fees as California residents. Contact the Admissions and Records Office for more information.

Pass/No-Pass Grading

Some courses allow students to choose between letter grading (A, B, C, D, F) or Pass/No Pass (P/NP) grading for the course. The choice must be made by the student by submitting a Pass/No Pass form to the Admissions and Records office by **September 16, 2016** for full-term Fall classes. Short course deadlines are listed on page 5. Choosing Pass/No Pass grading may affect degree, certificate, and transfer requirements. Discuss the consequences with a counselor prior to making this selection.

Wait Lists

If you place yourself on a waitlist, be sure to continuously check the waitlist through WebAdvisor to see if you have been added. When space becomes available, waitlisted students are automatically enrolled in waitlisted classes. However, this automatic process ends when classes begin. After that you must attend the **first class meeting** to request permission from the instructor to enroll. If the instructor gives you permission to add the course, you must take the signed ADD FORM to the Admissions and Records Office by **August 26, 2016** (for full-term classes) to officially enroll and be permitted to attend the course. Short course deadlines are listed on page 5.

Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with an “(L)”, “(M)”, or “(L)(M)” in the course description.

Recommended Skills Criteria for Associate Degree Applicable Courses

Students may meet the requirements for the (L) courses by:

- 1. Completing Reading 70 with a grade of “C” or better, or being concurrently enrolled in Reading 70, or achieving a reading placement level of “3004” or higher; or
- 2. Achieving an English placement level of “1003” or higher, or by achieving a grade of “C” or better in English 105, or concurrent enrollment in English 105.

The (M) designation means that the content of the course is such that the student must have college-level math skills to successfully participate in the course. Students may meet the requirements for (M) courses by: Achieving a math placement level of “2003” or higher, or by completing with a “C” or better, Math 110, Math 111, or General Business 100; or by concurrent enrollment in Math 110, Math 111, or General Business 100.

Residency

- Residency is determined by the laws of the State of California.
- California residents are those who have maintained legal residency status in California for one year and a day PRIOR to the first day of the semester.
- Non-Resident students interested in establishing California residency should understand that physical presence, proof of intent and financial independence must be met one full year and a day prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver’s license, taxes, car registration, etc.) The burden of proof rests with the student.
- Non-Residents who attended a California High School for three years or more and graduated from a California high school may be eligible for AB 540 or AB 2000 Non-Resident tuition. If you qualify, you may be eligible for the BOGW enrollment fee waiver. If you did, please request a California Non-Resident tuition exemption request from the Admissions and Records Office or locate it on-line under Admissions Forms. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify.

WOODLAND CAMPUS SCHEDULE

Student Success Story: Marlene Cuevas

The first in her family to go to college and the oldest daughter of Mexican immigrant parents, Marlene Cuevas began her studies at Woodland Community College in August 2013 after graduating from Vacaville High School and moving to Woodland. Graduating with an Associates of Science Degree in Social and Behavioral Sciences in Fall 2015, she successfully transferred to California State University, Sacramento (CSUS) as a Psychology major in January 2016.

She credits the many programs and services, such as TRIO, along with hard work and determination, for her success in college. She believes that being in a college environment and being a part of TRIO as a first generation college student was a big help. She liked WCC because “it is a small campus” and “people go above and beyond to help you.” Her advice to new and continuing students about how to succeed in college: “You need to have initiative and not wait for someone to bring you information. Go out of your comfort zone to ask for what you need. And, if you don’t know how to ask or where to ask, find someone who can help you.” She points out that there are many resources on campus to help students succeed and encourages students to use WCC’s free services like the writing, reading, and math tutoring centers. She believes these services help provide students with a strong foundation for success as they transition to a university setting.

While Marlene is pursuing her Bachelor’s Degree in Psychology at CSUS, her ultimate goal is to earn her doctorate and become a school principal. Marlene Cuevas is on track to achieving her dreams and is a proud WCC Eagle alum. Congratulations, Marlene! *(Attended WCC Fall 2013-Fall 2015: AS-T Social and Behavioral Sciences & Transfer to CSUS)*

Lake County Campus Schedule

Student Success Story: Deontranise Lax

Business student Deontranise Lax graduated from Lake County Campus in 1996. She remembers her time spent on campus well. Some of her fondest memories are of the support that she received from Lake County faculty and staff, such as Professor Sissa Harris and Professor Harry Lyons. Lax gained even more experience by being a peer counselor while also helping in the Financial Aid department. She still believes that working on campus was the best job she’s ever had.

Now, Lax puts her Lake County Campus education to good use at H&R Block as the Tax Associate Office Manager in both Clearlake and Hidden Valley. She claims that the experience she gained from both the classes and the work experience at Lake County Campus helped her to be prepared to do the job she was hired to do. The programs at Lake County Campus are as strong today as they were in 1996. Lax currently has approximately five employees who all recently graduated from Lake County Campus. She trusts that those who have graduated from Lake County Campus are prepared for the work she needs them to do. She trusts Lake County Campus so much that even her children have begun attending Lake County Campus. By next year, she anticipates her daughter will graduate, and her high school-aged children are gearing up for concurrent enrollment at LCC.

Lake County Campus has helped Deontranise Lax reach her goals to help and serve our community at H&R Block. How can Lake County Campus help you with your career goals?

ATTEND THE FIRST DAY OF CLASS

Information and expectations presented in the first class meeting are critical to successfully participate in each class. If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day may be dropped.

DO NOT ASSUME THAT THE INSTRUCTOR WILL AUTOMATICALLY DROP YOU.

Students are responsible for dropping themselves to qualify for a fee refund and avoid F grades.

COLUSA COUNTY CAMPUS SCHEDULE

Student Success Story: Jorge Romero

When Jorge Romero graduated from Pierce High School in Arbuckle, CA, in 2012, he did not think he could afford to go to college and enlisted in the Air Force Reserve after finishing high school. The first in his family to go to college, Jorge is the oldest son of parents who immigrated to the United States from Guadalajara, Mexico. He began taking classes at the WCC Colusa County Campus in Spring 2014 and credits counselor Juana Ruiz for encouraging him to join the TRIO program to help him get on the right path. And now, two years after taking his first class, Jorge will be graduating from WCC with three Associates Degrees (Social and Behavioral Sciences, Law Enforcement, and Administration of Justice) in May 2016 and has been accepted to California State University, Sacramento’s Criminal Justice program. His ultimate career goals is to be a field agent for the FBI or CIA or other federal law enforcement agency.

His advice to new and continuing students: “Don’t be afraid to ask for help. There are lots of people at WCC to help you and many free services like tutoring and counseling. It takes courage to ask for help, especially if you’re the first in your family to go to college. You can be super smart and still need to ask for help to make sure you’re on the right track.” Through programs like TRIO, he became motivated to become active on campus. “If you’re dedicated, stay focused, and ask for help when you need it, you’ll get better grades, and stay motivated because what you’re doing is paying off.”

With a 3.9 GPA, Jorge had to learn how to successfully balance the demands of the Airforce Reserve while getting good grades in his classes. Being a full-time student and in the Air Force Reserve has been challenging, especially because he has been deployed on short-notice, with trainings happening with only a one week advance notice. To stay on track, he says he meets with his instructors and uses campuses resources, like tutoring.

Jorge attributes his strong work ethic to the values instilled by his parents and the Air Force. He takes the Air Force’s core values very seriously and has demonstrated these values (“Integrity first, service before self, and excellence in all you do.”) through his work at WCC as a student, math tutor, Student Ambassador, and TRIO Peer Mentor. He says, “It’s about what you do during your time at WCC that makes the difference and makes you competitive when applying to transfer to a university.” Congratulations, Jorge, on your success!

YUBA COMMUNITY COLLEGE DISTRICT

PARKING

Permit parking is enforced in all general lots between 6:00 am and 6:00 pm, Monday through Friday. All general lots require a properly displayed, valid permit during these times. All other parking regulations are enforced 24 hours a day, seven days a week. This includes designated staff spaces, handicap spaces, timed spaces, red zones, yellow zones, and areas not marked (no parking at any time).

WCC Smoking Policy

In the interest of public health, Woodland Community College became a tobacco-free campus effective August 18, 2003.

Use of any form of tobacco is prohibited at all times in the following areas:

- 1.1 On all grounds and in all buildings of the Woodland Community College Campus and the Colusa County Campus.
 - 1.2 In or on any space, building, or classroom leased or rented by the college.
 - 1.3 In all vehicles owned or leased by the college.

This policy and these regulations apply to employees, students, visitors, and other persons who enter any Woodland Community College facility as described in paragraph one.

Smoking, or other use of tobacco, is prohibited within all Yuba Community College District buildings, including restrooms, dining areas, classrooms, laboratories, library, gymnasium, offices, and the theatre, along with any other interior building area, including quads.
