Noor Bader - President

Donovan Hutchins- Student Trustee

Gurtaj Grewal-
Vice President

Vice President of ASWCC and I have been on the council for about three years now. During my tenure with ASWCC thus far, we as a council have accomplished goals like bringing water hydration stations to campus and hosted successful events like the Halloween event that was done in the community room last October. I cannot wait to accomplish more things together as a council and make Woodland Community College a better place for students to learn. We are working on things like Student ID cards and are doing our best in everything we do.

ASWCC Directors & Senators

Alyson Davenport
Math & Science
Senator

Senator for Math and Science on ASWCC and previously the Director of Student Affairs. I am the founder and president of Club WiSE: Women in STEM Empowerment, and I work in the Agriculture Department. My educational goal is to become a wildlife veterinarian. I am very passionate about science, animals, and helping others. This is what lead me to be apart of ASWCC. I want to help create positive change on campus and an inviting experience for other students, knowing they can always come to me for help.
