Important Information

The Spring 2018 - 1st Pell Grant Payment will not be processed for students who do not have a completed Financial Aid File or are in Terminated status at the beginning of the Spring 2018 semester. Students in Terminated status due to extenuating circumstances, may appeal the decision by submitting a financial aid appeal. If your appeal is approved, your payment will be processed on the next scheduled payment date.

- ◆ Payment **amounts are based on the number of units enrolled in** on the date disbursement is determined.
- ◆ Units for **late starting classes are not included in the enrolled units until the class actually starts.**
- ◆ The last day the Financial Aid Office will process payment adjustments is **April 06, 2018.**
- ◆ Students who **drop all classes on or after April 08, 2017** will not be required to repay Pell Grant funds. Students will, however, be placed on **immediate financial aid termination**—check the Financial Aid Guide on website for information on eligibility for appeal.
- ◆ Classes that students **enroll in after April 06, 2018 are not accepted for financial aid**—students will not get paid financial aid for these classes.
- ◆ Financial aid payment dates may change due to availability of funding—if this occurs, a revised payment schedule will be made available.

Eligible students who file early, and verify financial aid file is complete, can receive their financial aid disbursements shortly after the semester begins
