According to Federal Law, most males must register with Selective Service to receive federal student aid. If you are a female or were born before 1960, registration is not required. If you are a male between the ages of 18 through 25, you must register with Selective Service to be eligible for financial aid.

If you believe you have already registered with Selective Service, please provide confirmation of your registration (e.g. a copy of your Selective Service Registration Acknowledgment).

If you did not register, you can register with Selective Service by doing one of the following:

- Register on the Web at www.sss.gov.
- Complete a Selective Service Registration form at your local post office.
- Answer "Yes" to Item 22 on your Student Aid Report (SAR) and return your signed SAR to the Department of Education.

If you did not register with Selective Service, and are a male now 26 or older, you are ineligible for Federal student aid. You may submit an appeal to the Financial Aid Office explaining the reasons for your failure to register. You must do the following:

1. Obtain a "Status Information Letter" from Selective Service. You can download the "Request for Status Information Letter" on the Web at www.sss.gov.
2. As soon as you receive the Status Information Letter from Selective Service:
 - Submit a copy of the Status Information Letter to the Financial Aid Office
 - Include a typed statement explaining why you did not register with Selective Service
 - Attach any supporting documentation with your appeal request

I certify that the information provided is true and correct to the best of my knowledge. I understand that this information will be used to determine my eligibility for financial aid and that false or misleading information may be cause for denial, termination, and/or repayment of financial aid funds.
