

Woodland Community College
High Level Summary
Student Success and Support Program Plan
2014 – 2015

The WCC Student Success and Support Program (SSSP) plan describes our target audience, as well as our plan to provide counseling (academic, career, and personal) for all students, student education plan development (abbreviated and comprehensive), orientation, assessment and placement at Woodland Community College. Below is a high level summary of the main tenets of the WCC SSSP plan, along with target dates and linkages to our Educational Master Plan (EMP).

Activity	Description	Target Date	Goal is related to:
1. Integrate online solutions and technology in WCC's matriculation process	WCC will fully incorporate online processes for application, assessment, orientation, education planning, eSARS, follow-up and the statewide Online Education Initiatives by fall 2016.	Fall 2016	Student Support Services (EMP #4) Technology (EMP #7)
2. Increase staffing levels to provide services to students	WCC will hire an SSSP Counselor, Transcript Evaluator and an Outreach Specialist and increase funding allocation to hire adjunct counselors by Spring, 2015.	Spring 2015	Student Support Services (EMP #4) Staffing (EMP #5)
3. WCC will expand outreach to high schools to facilitate an expansion in concurrent and dual enrollments, early assessments, and regional meetings with high school counselors.	WCC will utilize sustainable and scalable processes to establish seamless pathways from high school to college, including Jump Start to College and College is for You.	Phase 1: Spring 2015 (pilot dual enrollment)	Curriculum (EMP #1) Scheduling (EMP #2) Student Support Services (EMP #4)
4. WCC will expand activities to remove barriers to student success and monitor the progress of at-risk student and ensure the success of those students.	WCC will utilize and expand processes such at Supplemental Instruction, tutoring, dismissal and probation workshops, early alert, full implementation of Degree Audit and Electronic Ed Planning Systems, incentives for student completion, mentorship, peer advising, Summer Bridge, ESL student support and first year experience programs.	Fall 2015 (expanded SI) Spring 2016 (student success center)	Basic Skills (EMP #3) Student Support Services (EMP #4) Technology (EMP #7)
5. WCC will utilize a holistic approach that is consistent with the Student Success and Support Task Force Recommendations, the District Student Success Initiatives and the National Completion Agenda to ensure student success.	WCC will utilize a budget crosswalk to support all activities that facilitate students' success, including General Funds, Student Equity, Basic Skills, Student Success and Support Program funds. Also, institutional research, strategic enrollment management, professional development, coordination among student services and academic instruction, and coordination among Student Equity Plan and all other college wide planning efforts will feature prominently in this holistic approach to student success.	Ongoing	Student Support Services (EMP #4) Continuous Improvement (EMP #9)
