BUILDING THE FUTURE NOW

Not only did all of our students graduate from High School, they also enrolled into a post secondary education.

Students applied, where accepted, and enrolled into campuses such as:

UC Davis, UC Merced, UC Santa Barbra, Washington State, Sacramento State, Cal

State Monterrey Bay, Long Beach State, Sonoma State, San Francisco State, Woodland Community College, American River College, College of the Siskiyous, Butte College, and Universal Technical Institute.

Most of the Class of 2018 began in ETS program since their Junior year of

High School. College seemed far in the distance but this fall they will be college Freshman!

Now we look ahead to the Class of 2019. We will begin helping students with their college application in September and their Financial Aid application in October. **Below are IMPORTANT dates, deadlines and events!**

YEAR IN REVIEW

HERE IS WHAT OUR 2017-2018 SCHOOL YEAR LOOKED LIKE AND WE COULDN'T HAVE DONE IT WITHOUT YOU!

ACADEMIC ADVISING

Monthly study skill workshops were presented for each individual grade and school.

Workshops covered a variety of topics such as:

Academic advising, study skills, personal enrichment, interview skills, resume building, dual enrollment, SAT/ACT, and much more!

"EDUCATION IS THE MOST POWERFUL WEAPON WHICH YOU CAN USE TO CHANGE THE WORLD."

-NELSON MANDELA

COLLEGE PREPARATION

We guided our seniors through the college admission process.

With their specialist, students were able to complete and submit their college applications as well as their Financial Aid applications.

Additional application workshops were hosted on the WCC campus.

CAMPUS TOURS & EVENTS

Our Middle School students visited the Monterey Bay Aquarium in the fall to learn about careers and sea life. They also visited Sacramento State in the Spring for College Making it Happen.

Our Class of 2019 and 2020 got a jumpstart on their college future. Attending workshops to learn about the admission process as well as SAT study skills and tips.

Our High School students had some amazing campus tours. They go to enjoy the rides for free at the boardwalk! They also visited 11 campuses including: Sac State, UOP, CSU Stanislaus, UC Merced, Fresno State, UC Berkeley, UC Davis, Holy Names University, San Jose State, UC Santa Cruz, and Sonoma State.
