2019-2020 Independent Verification Instructions – V4

Your financial aid application was selected for a process called “verification” by the Department of Education. The Financial Aid Office is required by the federal government to verify the information you provided on your financial aid application (FAFSA) is correct. **Your financial aid application cannot be processed until all requested information is received. Any required corrections may delay the processing of your financial aid awards.** The instructions apply to the student and spouse, if married.

WHAT YOU NEED TO DO:

1. Complete (in ink) all sections of the Independent Custom Verification Group Worksheet, sign and date it.
2. Submit all required forms and documents to the Financial Aid Office at the campus you are attending as soon as possible. The verification process can take up to several weeks to complete. Check your YCCD student e-mail (@go.yccd.edu) frequently because we will contact you through your student e-mail if there are problems or we need additional information after we review your file.
3. Refer to the chart below to determine which items are required to be verified and what documentation you must submit to the Financial Aid Office.

4. The Financial Aid Office no longer mails award letters. Once your verification is completed your financial aid award(s) will be available on WebAdvisor through the Portal at <http://mycampus.yccd.edu/>. All awards are contingent upon available funding and your meeting all student eligibility requirements for Federal, State and Institutional financial aid programs. YCCD reserves the right to modify your awards at any time. A revised award letter will be posted if an award is modified.

The Financial Aid Office reviews your enrollment status, satisfactory academic progress (SAP) and other eligibility criteria and will authorize a payment if you are eligible. The amounts listed on your financial aid award letter reflect the awards for a full-time student. The amount you receive may be less because it is based on the number of units you are actively enrolled in when the disbursements are processed.
