# 2021-2022 Request for Dependency Override

This form is for dependent students who do not meet the federal criteria for "independent" status as outlined on the 2021-2022 Free Application for Federal Student Aid (FAFSA) but who would like to have their unique circumstances reviewed in order to be considered an independent student for financial aid purposes.

Students who are estranged from their parents due to extenuating or unusual circumstances (i.e. abuse, family alcoholism, drug abuse) which can be documented by an objective third party (i.e. high school or college counselor, social services agency official, pastor or clergy member, mental health professional, law enforcement officer, teacher) may apply for a review of their dependency status.

## ATTENTION: The following circumstances are not considered viable reasons for independent status:

- You do not reside with your parents.
- Your parents refuse to pay for your college education.
- Your parents do not claim you on their tax return.
- Your parents are not financially able to pay for your college education.
- Your parents are not willing to complete the parent section of the FAFSA.
- You do not rely on your parents for support, financially or otherwise.

#### **INSTRUCTIONS**

- 1. File the 2021-2022 FAFSA on the Web.

## **DOCUMENTATION REQUIRED**

  - The last contact you had with each of your parents.
  - The nature of your relationship with your parents.
  - Why you cannot obtain information and/or support from your parents.

Affidavits from other students and/or friends are not considered an independent third party.
