Student Name: _____ **Student ID:** _____

Course Section: (check one): CWEE 44- General Work Experience 1-3 units
 CWEE 45- Occupational Work Experience 1-4 units

Both the college and state guidelines for Work Experience Education require that a student perform a planned program that includes new or expanded responsibilities or learning opportunities. The learning objectives are used by the college to determine whether the student is eligible to be granted college credit. It is also a method for developing new or expanded skills in the workplace. A learning objective is a measurable goal and must be within the student's range of accomplishment. The objectives must be developed by the student and the immediate supervisor, and reviewed by the Work Experience Instructor at the beginning of each semester.

All students enrolled in 1 – 4 units of a work experience course requires three (3) objectives.

Objective 1

What is the task to be completed?
How will it be accomplished?
How will it be evaluated and by whom?
When will it be completed?

Objective 2

What is the task to be completed?
How will it be accomplished?
How will it be evaluated and by whom?
When will it be completed?

Objective 3

What is the task to be completed?
How will it be accomplished?
How will it be evaluated and by whom?
When will it be completed?

Agreement

We, the undersigned, agree with the validity of the learning objectives listed above. The employer and the college agree to provide the necessary supervision and counseling to insure that the maximum educational benefit may be achieved for the student's work experience. All parties agree to abide by the CWEE Course guidelines. The employer will evaluate the student objectives performance twice during the semester. The college will award academic credit for work successfully accomplished.
