

Upward Bound Behavior Contract

Behavior Contract

Upward Bound (UB) trips are not an automatic benefit of participating in the program; in fact, they are an earned privilege. Any time that UB students are together, they are representatives of UB, Woodland Community College, their families, schools, and themselves.

I understand and agree to the following rules of conduct, which are in force from the time I arrive at the pick-up location until the time I return to the drop off location:

- Zero tolerance for alcohol, tobacco, and drug policy will be strictly enforced!
- I will wear the appropriate clothing and comfortable walking shoes (be prepared for warm and cold weather).
- I will follow the schedule and be where I am supposed to be at the appointed times.
- I will not steal, borrow (without permission), deface, damage, or destroy public or private property.
- On guided tours, lectures, presentations, or wherever a person is speaking to me in an official capacity, I will:
 - Silence my cell phone and not call/text
 - Not bring any form of music or games
 - Be respectful, attentive and courteous.
- On overnight trips, I will not switch from my assigned hotel room, nor will I enter the room of anyone of the opposite sex, without a staff member being present.
- I will not do anything that will bring discredit to Educational Talent Search or my fellow participants.

If any part of this contract is broken, my parent/guardian will be called to come pick me up immediately, regardless of our location, and I will be dismissed from the program.

Pierce High School Code of Conduct for Instructionally Related Activities (IRAs)

School-sponsored instructionally related activities are planned with an educational objective and designed to enhance the classroom education of students. In order that everyone receives maximum benefit from their participation in the IRA, students who wish to exercise the privilege of participation in IRAs serve as ambassadors of the school and must conduct themselves in accordance with the standards for behavior listed below at all times.

1. Respect public and private property at all times.
2. Obey all of the rules and policies outlined in the student handbook
3. Conduct oneself in a courteous and respectful manner at all times.
4. Do not engage in behavior that includes fighting, bullying, vandalism, lewd behavior (including sexual activity), possession of a weapon, threatening, stealing or accompanying others who are engaging in these behaviors.
5. Remain in the presence of adult supervisor at all times, unless explicit consent has been given by a supervisor.
6. Follow directions and instructions of chaperones without fail.
7. Refrain from bringing, purchasing, consuming, or being in the presence of drugs, alcohol, or tobacco. Understand that choosing to bring, consume, or being the presence of others who are consuming will lead to suspension and/or expulsion, as well as immediate termination of the field trip privilege. Consequences will be applied regardless of whether the student brought or consumed alcohol, tobacco, or drugs, or has associated with or is in the presence of others who are consuming drugs, alcohol, or tobacco.
8. Consent to a baggage check by appropriate school supervisor prior to leaving for the IRA, and upon return.
9. For overnight IRAs:
 - a. Abide by the curfew established by the adult supervisors.
 - b. Spend each night in the assigned room.
 - c. No student may leave his/her assigned room for any reason after the curfew without a chaperone's permission and presence. The only exception to this rule is when all hotel guests are to respond immediately to a fire alarm or other emergency situation.
 - d. No student shall be alone in another student's room when the other student is of the opposite gender, unless a chaperone is present.
 - e. Allow the search of the room and personal belongings at any time as deemed necessary by the appropriate school supervisors.
10. All students are expected to attend school for the entire school day. Students are expected to attend all classes prior to the departure for the IRA, and if an IRA finishes before the end of the school day, students are expected to immediately return to their remaining classes until the conclusion of the school day.

Any violation of the Code of Conduct for Instructionally Related Activities will result in appropriate disciplinary action by adult supervisors, including, but not limited to, possible dismissal from the trip.

I have read Code of Conduct for Instructionally Related Activities and agree to abide by all of the regulations therein.
