WCC_ETS

ETS is a part of the TRIO Programs funded through the U.S. Department of Education.

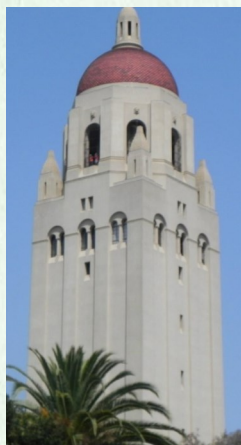

Educational Talent Search provides academic, career, and financial advising to its participants and encourages them to graduate from high school and continue on to the post-secondary school of their choice.

Our Mission

ETS provides opportunities for personal growth and cultural diversity through unique experiences that will enhance the student's potential to succeed. ETS guides, mentors, and supports students to achieve a post-secondary education.

We provide students with the following:

- Academic Advising and Assistance
- Academic Support & Tutoring
- College Preparation
- Financial Aid Assistance
- Cultural Enrichment and College Campus Tours
- Parent Engagement

We are a NO COST Program!

Program Services

Through the multiple services provided by ETS, we help our students achieve a post-secondary education. We motivate and educate our students with quality information covering multiple educational subjects. Services include, but are not limited to tutoring, college visits, and mentoring.

Academic Advising and Assistance

Comprehensive and ongoing assistance with high school course selection. Assistance with majors and careers exploration, school planning and test preparation.

Academic Support and Tutoring

Study skill workshops, academic advising sessions, and study skills inventories to help students develop their skills and improve their academic performance. ETS works closely with school sites to ensure students tutoring needs are being met by the provided school site resources.

College Preparation

Students will receive informative workshops on college admissions, financial aid, and college enrollment. Assistance with college applications, college admission tests. Student will be introduction to college outreach programs such as EOP, EOP&S and SSS.

Financial Aid Assistance

Assistance in completing the Free Application for Federal Student Aid (FAFSA). Financial aid literacy workshops. Assistance in applying for scholarships

Culturally Enriched Field Trips

Students have numerous opportunities each year to visit museums, cultural events, and various college campuses throughout California. Whether it's a one day tour of UC Davis and Sacramento State or the overnight tours to various campuses, we will make sure they get a real college experience.
