## 2024 Convocation

FRIDAY, AUGUST 9, 2024

The term 'convocation' derives from the Latin words 'com,' meaning 'together,' and 'vocare,' meaning 'to call.' At WCC, convocation serves as a valued tradition, bringing us together to formally inaugurate the academic year, forge meaningful connections, and reaffirm our commitment to excellence in education and our shared objectives.

POLL QUESTIONS

**Which area(s) of focus do you believe are most important for Convocation sessions? (Select up to three)**

- a) Student engagement and retention strategies
- b) Faculty and staff collaboration and teamwork
- c) Student-centered pedagogies and approaches
- d) Campus safety and emergency preparedness
- e) Technology integration in the classroom

**Which of the following emerging trends or issues would you like Convocation to address? (Select all that apply)**

- a) Social justice and activism in education
- b) Artificial intelligence and machine learning in education
- c) Online course design and delivery
- d) Affordable, Accessible and inclusive course materials
- e) The future of higher education post-pandemic

# WCC Education Master Plan

The 2023-24 Education Master Plan update will focus on the achievements in this academic year. Areas of focus include:

1. Academic Innovation
2. Student Support Services
3. Community Engagement Initiatives

Through collaboration, innovation, and a commitment to excellence, we have made significant progress in providing students with a transformative education that prepares them for success in an ever-changing world.

## AREAS OF EXPLORATION

### Together We Persist: Student Persistence

Analyzing factors influencing student persistence to develop strategies to empower students to overcome challenges, stay focused on academics, and succeed in their educational endeavors.

### Adult Promise Program

Nationally, ~40% of adults have some college and no degree. WCC wants to welcome those students back to complete their education and advance their economic mobility.

THANK YOU!
