

Work Experience Education – Woodland Community College

Learning Objectives Evaluation

Student's Name: _____

Employer/Supervisor's Name: _____

Employer/Supervisor's Phone #: _____

- Each term that a student is enrolled in Work Experience, it is necessary to identify new learning objectives. They should be specific, measurable, and within ability to accomplish.
- Objectives must be approved and agreed upon by the employer, student, and work experience instructor.

Grade Rating Scale:

A – Accomplishing / accomplished objective

B – Making / made significant progress toward objective

C – Making / made some progress toward objective

F – Failing / failed to make any progress toward objective

List Learning Objectives below	Final Grade
1.	
2.	
3.
